ADMINISTRATION

Dedication

To Mr. William L. DuBard, our beloved Headmaster, in recognition of his faithful service and unselfish devotion to our Academy, his genuine interest in each individual student, and his unobtrusive guidance, we affectionately dedicate the 1972 AERIE. Mr. DuBard has served loyally not only as our Headmaster and teacher but also as our counselor and friend. Confronted with the formidable task of elevating our recently-formed Academy to a higher standard of excellency and accreditation, along with the other numerous problems associated with his position, he has shown a remarkable fortitude and a truly magnanimous spirit that have been a source of inspiration to others. The ideals he exemplified will long be remembered as a beacon to guide our faltering footsteps along the unknown path ahead.
