

The school year 1974-75 has been a memorable one for Richard Winn Academy because of our new headmaster Thomas O. Bruce. Although Mr. Bruce has been with us only a short time, he has shown his concern and dedication to developing Richard Winn to the fullest extent of its potential.

Mr. Bruce was graduated from A. C. Flora High School in Columbia, S. C. and attended the University of South Carolina where he received an A.B. in history. He is presently working on his master's degree. Before coming to Richard Winn, our headmaster was employed at James H. Hammond Academy in Columbia for three years. While there, he taught American history and government and coached football and track. He helped to start the first football program at Hammond.

Mr. Bruce has made many changes for the betterment of Richard Winn, such as selecting new reading and math materials for the lower school students, providing a place for the upper school students to eat lunch, and hiring new teachers.
