

Music Department Brings Much Fun to RWA

This year grades 1-7 attended music class twice a week. Throughout the year, they presented various programs. The first program was presented by the 5th, 6th, 7th grades on November the eleventh to honor United States Veterans. All of the classes were involved in presenting various Christmas programs. Then they square danced — to have fun and to raise money to buy music books. "Sing a Song" ended the year with all seven grades participating in a program, with proceeds going to a scholarship fund. The next three pages show each program in order. While putting on these programs, the children learned a lot and had a lot of fun. We would all like to thank Mrs. Nicholson for her hard work.
