

The Senior Class of 1976 has been fortunate to have as its class sponsor, Miss Judith Bouknight. We, the Seniors, are very grateful to Miss Bouknight for the work she has done for us and the time she spent with us. We know that without the help of Miss Bouknight many of our accomplishments would not have been possible. We are sorry that future senior classes will not have Miss Bouknight, but we wish her all the success of the future.
