

DEDICATION

The AERIE Staff members would like to dedicate the 1976 AERIE to Mrs. W. H. Bolick. Mrs. Bolick has faithfully served R.W.A. since its beginning. She taught seventh grade and middle school mathematics for ten years at R.W.A., and as seventh grade sponsor she guided many students from the lower school into the upper school. Mrs. Bolick also served as sponsor for the Student Council since the Council was initiated at the Academy. Richard Winn will be forever indebted to Mrs. Bolick; the AERIE Staff can honor her only in this small way.
