

# Music Department

With Mrs. John V. Nicholson, Jr. as director, the lower school presented many programs throughout the year. Some of their presentations included Christmas pageants, a square dance on March 18, and a music program on May 13. They also provided entertainment at the luncheon during the Tour of Homes on March 31. These programs were a tremendous asset to RWA this year as they provided education and enrichment, as well as enjoyment.
