

# Student Council

President Buddy Wilkes taking his oath of office.

Vice-President Wes Teal taking his oath of office.

During 1977 the yearlong project of the Student Council was raising money for construction of brick columns on either side of the driveway in front of the school. Therefore, many fund-raising projects were conducted. Student Council members sold RWA jerseys, bumperstickers, and tote bags. Also they sold hot chocolate during the cold weather and snow cones during the warm weather. Two dances and a car bash were also included in their projects. Homecoming and Fifties' Day which are annual Student Council events were successful again this year.

Student Council members pledging their support: Joel Price, Tommy Mattox, Helen Matthews, Secretary, Andrea Elliott, Brian White, Wendy Nichols.
