

PTO Fetes Taylor

The Parent-Teacher Organization was off to a rolling start with two hundred and twelve memberships for the year. In September, punch and cupcakes were served to the student body and faculty at a surprise birthday party for Mr. Taylor.

Fund-raising projects consisted of a firewood sale, the annual square dance, and a raffle for 100 gallons of

gasoline. Also, concessions at the Halloween Carnival were provided by the PTO. Proceeds were used for a scholarship and Teacher Appreciation Day. Other service projects included the purchase of playground equipment and assistance in hosting the Prince Edward Academy Band.
