Golf Springs Into Action

With four returning starters, the eight-man golf team started the season with high hopes realized in a 23 stroke win over Wardlaw Academy. The starters also gave good performances in matches against Heathwood Hall and Camden Military, and were in contention to win in all but one contest. The final tally was 3 victories, 4 losses, and the conference title, making this the best season for golf in its three-year span. With the loss of only one senior, expectations for next year are high for this young but seasoned group of golfers.
