

Field Day

The first Field Day at RWA was a fun-packed day for all who participated. From kindergarteners to seniors, everyone gave all he had to win one of the three ribbons awarded to boys and girls in each event. Field Day, sponsored by the Student Council with the help of the coaches and Mr. Taylor, included the following events: 40-yard dash, sack race, 3-legged race, balloon pop relay, tennis shoe relay, pie-eating contest for middle and upper school, obstacle course, tug-of-war, and, for the faculty, an egg-toss.

The PTO topped off the day by serving corn dogs to the weary students. With the success enjoyed on this initial Field Day, it hopefully will become another annual event.
