

Mission Accomplished Seniors Visit Disney World

The seniors' "Fantastic Voyage" to Florida proved to be an unforgettable trip, and "I ain't kidding ya!" They burned rubber all the way to Orlando on the "Double Dutch Bus." Disney World was "hot stuff" as were the tour guide, the bell hop, the girls from Missouri, and Betty the bus driver.

Who could ever forget Fagan's speedos, the midnight tour, the toga parties, the Polynesian Luau, and, last but certainly not least, the friendship shared by all.
