

Dedication

Our most heartfelt appreciation is given to Mrs. Dorothy Beach. Since 1966, she has been a "first" . . . first Senior class sponsor, first Beta Club sponsor, first person to lend a helping hand in any project from Beauty Pageant to Junior-Senior.

She has served as a teacher of many subjects to many students. She has shown herself to be one of the most outstanding members of the R.W.A. family.

The Journalism Class takes great pride in dedicating the 1982 edition of the Aerie to Mrs. Dorothy Beach.
