

JUNIORS REIGN

On November 6, 1981, excitement filled the air as our new Homecoming Queen, Miss Joeli Weed, and the new Miss Sweetheart, Joyce Carroll Pope, were crowned. They were escorted by Stewart Goudelock and John McNeely, respectively. Miss Margaret Chappell, our former queen of 1980, crowned both young ladies as they beamed with delight and perhaps shock. From a group of 17, the queen was chosen by the upper school student body and the sweetheart by the football team.

This night, as all homecomings, will remain a meaningful event to us all, especially to these two young ladies.
