

In Memory of Robert Wayne Harrison

The R.W.A. Football Program wishes to remember Robbie
for his dedication and support (1981-82).

“Our Flower”

Up on a hill in heaven
Beside the streets of gold,
There blooms a lovely flower
With a story to be told.
It tells the story of someone
All the world should have known,
For all the kindness and happiness
In his life he has sown.
It tells of a man named Robbie,
A person filled with life,
Who loved, who lived, and laughed
And cared for those in strife.
His life should be a monument
For all the world to see.
Not only for the person he was,
But also for what he let others be.
He had a special quality
That few in life possess.
His motto was “I’ll try it
And I’ll always do my best.”
He did his best until the end
When God took his life away.
But in the hearts of all who knew him,
Robbie will always stay.
So if you’re ever in heaven
And see our flower on the hill,
Tell Robbie that we love and miss him
And we always will
