

Middle School Chorus

The Middle School Chorus is composed of students in the sixth and seventh grades. They perform a variety of music from spirituals to Broadway show tunes. They sang in the Christmas program and on a Spring trip out of town.

The Lower School also took part in the "Home for Christmas" program. Perhaps their most memorable experience of the year was the birthday party for Bach which they celebrated in the Spring.

Mrs. Nicholson directs the Middle School Chorus and the Lower School music program.
