

# Team Posts 9-2 Record

The Eagles had a very successful year with a 9-2 record in the regular season. Most of the wins were by a wide margin which allowed the coaches to substitute freely. This experience gained by the younger members of the team will be beneficial to next year's team.

The first loss suffered by the team came at the hands of Wilson Hall, a Class AAA power, who was ranked number one in the state at the time of our meeting. The game was a defensive struggle throughout, and they scored late in the game to go ahead 13-6.

Our other loss (16-6) to Thornwell was the last game of the regular season. Our team was severely hampered by injuries to two of our key players, Paul Holmes and Todd Robinson.

Despite these losses, the Eagles went to the play-offs against Laurence Manning Academy who later won the SCISA Class AA Championship.

At the beginning of our season, the 1984 Eagles had set two goals for themselves — to have a winning season and to go to the play-offs. They attained their goals chalking up their sixth straight winning season and entering the play-offs for the fifth straight year.

The team was under the direction of Head Coach John Gasque. He was assisted by Coaches Ernie Hughes, Mike Robinson, David Porter, and Donald Greer. Trainers for the team were Marion Bass and Britt Cathcart. Eric Cathcart was team manager.
