

Balance Is Key to Success

The Varsity Boys' Basketball Team used a well-balanced offense and a tenacious defense to win the Conference 3-AA title and advance in the state play-offs.

The Eagles made their presence known early in the season as they quickly jumped to a 6-0 record before dropping two in a row to Sloan and Calhoun of St. Matthews. However, the Eagles didn't stay down long as they came back to win eleven more games losing only three.

They ended the season as runner-up, but dominated the Conference 3-AA Tournament whipping Sloan and Catawba. As Conference Winners, they advanced to the state play-offs to play PeeDee Academy at home.

Conference individual honors were won by four Eagles. These awards were presented at the close of the tournament. Scott Barefield was named MVP, All-Tournament, and All-Conference. Chris Gaddy was also appointed to the All-Conference team. Todd Robinson was named All-Conference, and Robert Stidham was named to the 2nd team All-Conference.

The Eagles are coached by Mike Robinson and Jerry Wolff.
