# We're Building Our Pride

The tornado of March 28, 1984, necessitated a massive building program at Richard Winn Academy. The efforts of many people made possible a fine new facility that reflects the excellence to which RWA has been dedicated for the nineteen years of its existence.

This excellence is seen in the numerous accomplishments of our students. For instance, an extremely high percentage of our graduates seek a higher education, and many receive college scholarships and advance place-

ment. Our students consistently gain recognition in academic and music competition, as well as in athletic contests. This year Richard Winn has a National Merit Scholar.

These accomplishments certainly reflect the dedication to excellence of everyone involved with this school. Actually, the new buildings will symbolize the pride we have in the quality of our total program. Yes, we're building at Richard Winn: We're Building Our Pride.

# We Dedicate Aerie '85 to Mr. Taylor

"Mr. Taylor? Dynamic! Our new school represents his strength and courage. His smile ensures our children of his love while he guides them with a strong and steady hand. We love you."

— Jackie Baker

"All the times I have talked with Mr. Taylor, through discussions about class and student council activities, I have found him to be very friendly and understanding. He is devoutly interested in the students and what is best for them. He is an excellent headmaster, and I am glad we have had him as our leader."

— Peter Rambo

Carroll Taylor is the driving force who has made the difference between success or failure of Richard Winn Academy.

— R. A. Westbrook

Because of the person he is, the ideals he represents, and what he means to Richard Winn Academy, we dedicate Aerie '85 to F. Carroll Taylor, Headmaster.

"D's are not considered to be good in school, but the D's of discipline, desire, determination, and above all, dedication spell one thing — F. Carroll Taylor; and that's an A+ for our school."

— Donna Miller

In the seven years that Mr. Taylor has been at R.W.A., we have experienced growth in numbers, as well as in the physical plant. Of more importance to a successful school however, is a feeling of *pride* which he has generated by dedicated leadership."

— Ellen Nicholson

No one knows better than his wife, Joy, the endless hours Mr. Taylor gives to RWA. We deeply appreciate her help, support, and understanding.

## Completing the Project

# Class of 1985 Complete the Requirements for Graduation as They Plan for Future

The RWA Class of 1985 has twenty-nine members who are spending their Senior year completing the requirements for graduation and entrance into college. Between taking the SAT, filling out college applications, and visiting college campuses, they have found time to participate in many high school activities.

The Seniors have been models and leaders for younger students in athletics and student government. They have also set the pace academically.

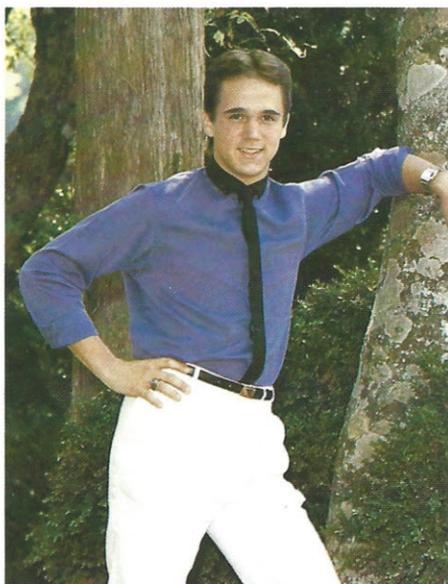

They have worked hard to plan and finance their Senior trip. They have sponsored fund raising projects from fresh fruit sales to suppers and bake sales.

In addition to their own projects, the Seniors have been unselfish in giving of their time and energy to other school needs. They worked hard cleaning up after the tornado and later helping move furniture from one site to another. Who will ever forget the sight of Britt's cattle

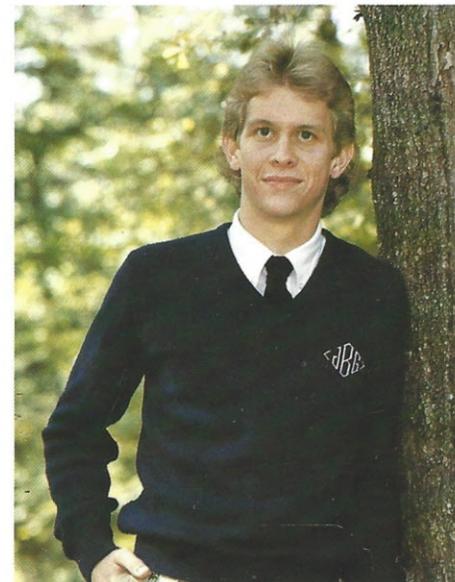

trailer loaded with desks?

As these students complete their high school career, they will be remembered for their fun-loving, yet cooperative, spirit and for their many achievements. They will be a tough act to follow.

# In Memory of Michael Allan Plampin

If I leave here tomorrow,  
will you still remember me?  
For I must be traveling on now,  
'cause there's so many places I've got to see.  
And if I stay here with you, girl,  
well, things just couldn't be the same.

'Cause I'm as free as a bird now  
and this bird you'll never change,  
And this bird you'll never change,  
and this bird you can not change.  
Lord knows I can't change.

March 16, 1967

September 19, 1984

By and by, baby, it's been a sweet love  
though this feeling I can't change.  
But please don't take it so badly,  
'cause Lord knows I'm to blame.  
And if I stay here with you now  
things just couldn't be the same.

'Cause I'm as free as a bird now,  
and the bird don't never change,  
And the bird can not change,  
and the bird you can not change  
Lord knows I can't change,  
Lord help me, I can't change  
Lord, I can't change.

Oh, won't you fly high, Free Bird?

## THE DOROTHY BAILEY BEACH MEMORIAL LIBRARY

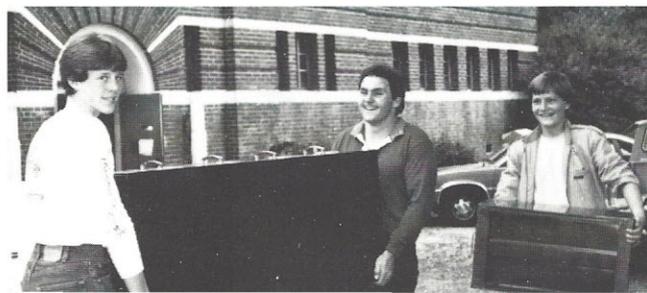

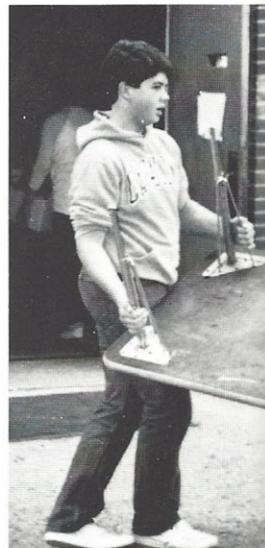

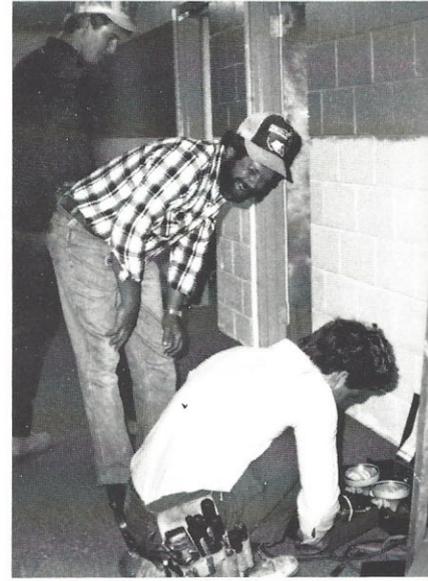

The new library at Richard Winn has been named The Dorothy Bailey Beach Memorial Library in grateful and loving memory of one of our most dedicated teachers. Mrs. Beach was a member of the founding faculty of Richard Winn, where she taught English, South Carolina history, and psychology during her seventeen-year tenure. During this time Mrs. Beach fostered the growth and development of Richard Winn. She was the organizer of the first newspaper, *Poor Richard's Almanac*; sponsor of the first *Aerie*, the yearbook; first librarian; Beta Club sponsor; and Senior Class sponsor for many years. In 1982 the students named Mrs. Beach the "Teacher of the Year" as a symbol of their respect and love for her.

"Dot," as she was affectionately called by her many friends, was indeed a rare person. She was unselfish in giving of her time and energy to make Richard Winn a school of which we could all be proud. But more than that, she gave of herself. Her loyalty, interest, and genuine love for the school and its students were unparalleled.

Richard Winn Academy is much better for having come under Mrs. Beach's influence. The school itself is her memorial, and it is fitting that the library will bear her name.

## Adding the Extras

# Student Council

The Student Council of Richard Winn is made up of representatives from each homeroom in grades eight through twelve. The officers are chosen from the student body. All members of the council must maintain an overall C average to qualify for membership.

This year's council has been innovative in that it sponsored a straw poll to determine students' presidential choice before the national election. In addition, the council planned and organized Richard Winn's first Expo to showcase talents of students in academics. Prizes were awarded in science, math, creative writing, and social studies.

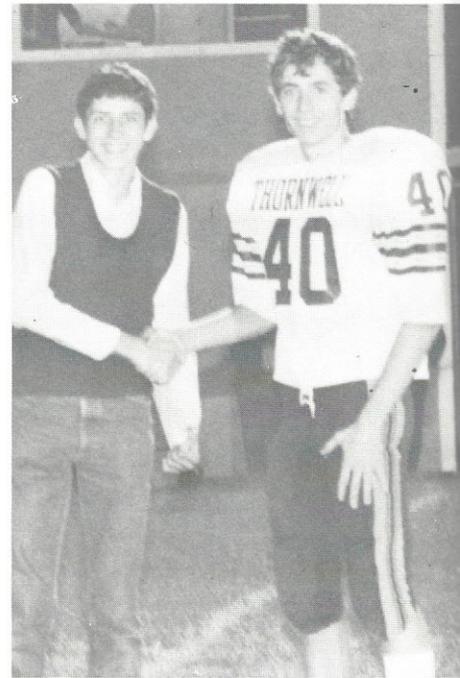

Mrs. Nancy Owen is the sponsor for this active group.

**Front:** Lee Dixon, Robert Moore, Lex Bagley, Brian Bonds, Allan Turner, Lester Robinson. **Back:** Allyson Sanders, Jimmy Bagley, Peter Rambo, Rod Wilkes, Ruth Anne Doty, Melissa Weed, Mrs. Owen, Sponsor.

**STUDENT COUNCIL OFFICERS:** Melissa Weed, Secretary; Robert Whitesides, Treasurer; Jimmy Bagley, Vice-President; Peter Rambo, President; Mrs. Nancy Owen, Sponsor.

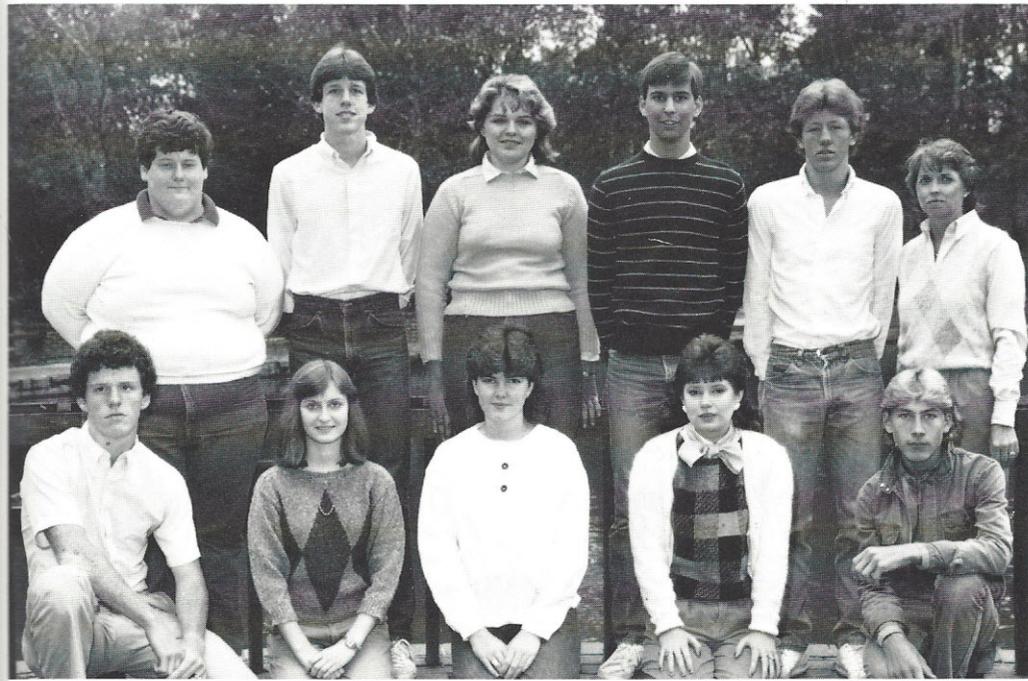

Thornwell student, Hamp Johnson, presents a contribution for our library on behalf of his school. Peter Rambo accepts this monetary gift for Richard Winn.

# Talon and Aerie Staffs

The school newspaper, *The Talon*, is again headed by Cristin Williams who almost single-handedly organized and produced it last year. She has been assisted by the journalism class and a few other interested students to produce three issues this year.

The *Aerie* traditionally has been produced by the journalism class, but this year other students joined them in selling advertisements several weeks before school began. Because of their interest and help and the hard work of the journalism class, *Richard Winn* was able to have its annual delivered before the end of school for the first time.

Mrs. Murray serves as advisor for the *Aerie* and *The Talon*.

**TALON STAFF:** Front: Brad Smith, Cristin Williams, Shannon Wade, Beth Taylor, Lee Dixon. Standing: Jay Ayers, Scott Robinson, Donna Miller, Rob Patrick, Robert Owens, Mrs. Murray.

**AERIE STAFF:** Front: Cristin Williams, Beth Taylor, Frances Anne Hendrix, Liz Mattox, Abby Cathcart, Ann Teal, Leslie Jones. Back: Brad Smith, Jay Ayers, Scott Robinson, Scott Barefield, Rob Patrick, Donna Miller, Robert Owens, Mrs. Murray.

# High School Chorus

Chorus class at Richard Winn is not just another elective. It is an enjoyable experience that helps develop the student's talents and his appreciation for music.

The Chorus performed in the "Home for Christmas" program and on a spring tour of Orangeburg and Charleston. Their performances featured the singing of a male quartet and octet. Quartet members are Peter Rambo, Blake Crook, Britt Cathcart, and Lee Dixon. Quartet members are joined by Kerry Colvin, T. Melton, Rob Patrick, and Eb Meyer in forming an octet.

The Chorus is under the direction of Mrs. Ellen Nicholson whose singing groups never fail to delight their audiences.

# Middle School Chorus

The Middle School Chorus is composed of students in the sixth and seventh grades. They perform a variety of music from spirituals to Broadway show tunes. They sang in the Christmas program and on a Spring trip out of town.

The Lower School also took part in the "Home for Christmas" program. Perhaps their most memorable experience of the year was the birthday party for Bach which they celebrated in the Spring.

Mrs. Nicholson directs the Middle School Chorus and the Lower School music program.

# Richard Winn Takes Area Honors

Richard Winn students have taken top honors in the DAR Essay Contest and in SCE&G's First Annual Energy Bowl.

Caroline de Vlaming, Bo Williams, and Elliott Nicholson were awarded first, second, and third places, respectively, in the DAR Essay Contest in Fairfield County. This contest is sponsored by the local chapter of the Daughters of the American Revolution.

A team of four Richard Winn students won the First Annual Energy Bowl sponsored by South Carolina Electric and Gas Company. This competition involved eight schools which participated in two elimination rounds and a final championship round between the two remaining teams. Richard Winn met Mid-Carolina High School in an exciting final round and won the tournament. Other schools participating were Irmo, Columbia, Chapin, Newberry, Winnsboro, and McCrorey-Liston High Schools.

Richard Winn was presented a \$400 check as the winning team. The money was used to purchase equipment for the science labs.

# Team Posts 9-2 Record

The Eagles had a very successful year with a 9-2 record in the regular season. Most of the wins were by a wide margin which allowed the coaches to substitute freely. This experience gained by the younger members of the team will be beneficial to next year's team.

The first loss suffered by the team came at the hands of Wilson Hall, a Class AAA power, who was ranked number one in the state at the time of our meeting. The game was a defensive struggle throughout, and they scored late in the game to go ahead 13-6.

Our other loss (16-6) to Thornwell was the last game of the regular season. Our team was severely hampered by injuries to two of our key players, Paul Holmes and Todd Robinson.

Despite these losses, the Eagles went to the play-offs against Laurence Manning Academy who later won the SCISA Class AA Championship.

At the beginning of our season, the 1984 Eagles had set two goals for themselves — to have a winning season and to go to the play-offs. They attained their goals chalking up their sixth straight winning season and entering the play-offs for the fifth straight year.

The team was under the direction of Head Coach John Gasque. He was assisted by Coaches Ernie Hughes, Mike Robinson, David Porter, and Donald Greer. Trainers for the team were Marion Bass and Britt Cathcart. Eric Cathcart was team manager.

## Stidham Named All-State

Robert Stidham was named to the SCISA All-State football team at the close of the 1984 season. Robert, senior, had a spectacular year with Richard Winn both offensively and defensively. As a running back, he gained 892 yards, many of them with defensive players hanging on to him. Defensively, Robert made 39 solo tackles and 62 assisted ones.

In addition to this honor, Robert was named to the All-Conference team for offense and defense.

# Fantastic Season Results From Hard Work, Determination, and Practice

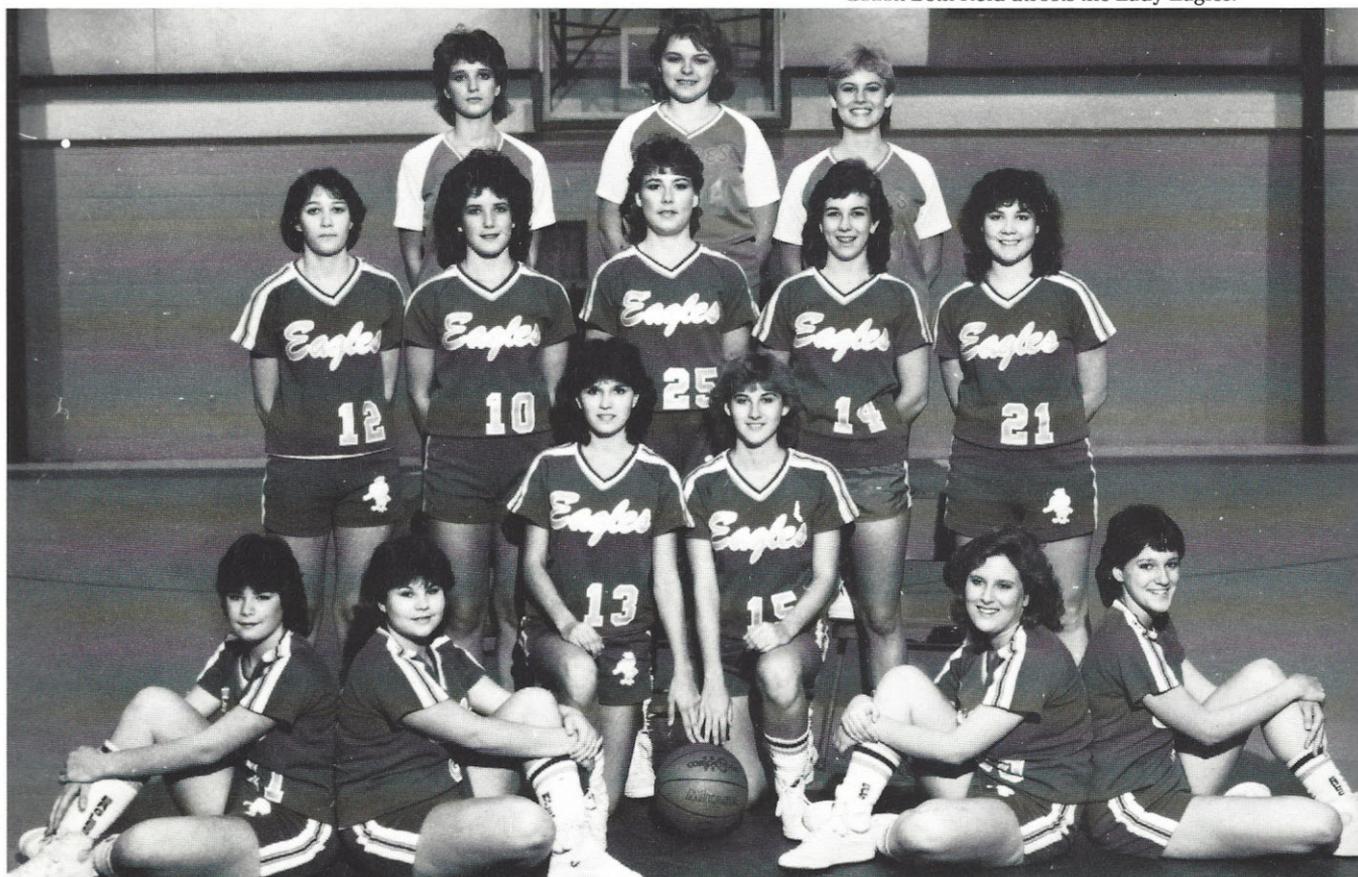

At the outset of the season, Lady Eagle coach, Beth Reid, was excited and optimistic that this would be "the year." Her expectation became reality as she saw her team take twenty regular season games and win the Conference 3-AA tournament.

This team success was the result of hard work that began with conditioning drills even before our new gym was finished. These fourteen girls set their goals high and practiced long and hard to build a strong team. Coach Reid emphasized teamwork and cooperation which paid big dividends. The Lady Eagles were close-knit on and off the court and played unselfishly passing the ball well to get the best shot. The team recorded an unprecedented number of assists.

Because the Lady Eagles so dominated their opponents, Coach Reid was able to substitute freely giving all team members plenty of playing time. With nine experienced players returning to next year's team, next year may be "the year," too!

Coach Beth Reid directs the Lady Eagles.

# Jena Barnett's Number Retired

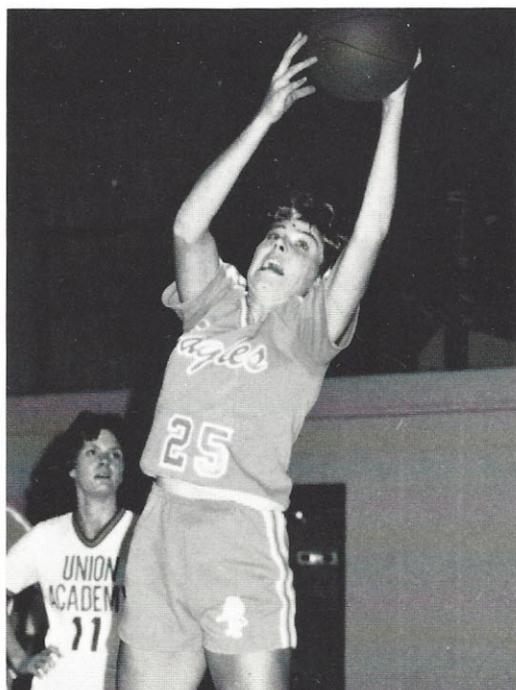

Jena Barnett's number 25 has been retired from the Varsity Girls' Basketball Team at Richard Winn. This is in recognition and honor of Jena's exceptional career at RWA. Jena has scored over 2500 points as a varsity team member and has been a team leader, inspiring the others with her competitive spirit.

Jena, whose varsity career began when she was an eighth grader, has received every award Richard Winn offers in girls' basketball. She has received "Most Valuable Player," Free Throw winner and runner-up, the "SAC" coach's award, and "Most Valuable Player." She has also gotten numerous conference awards. She has been named All-Conference three times and Conference MVP three times. She was named to the All-Midlands team by *The State* newspaper.

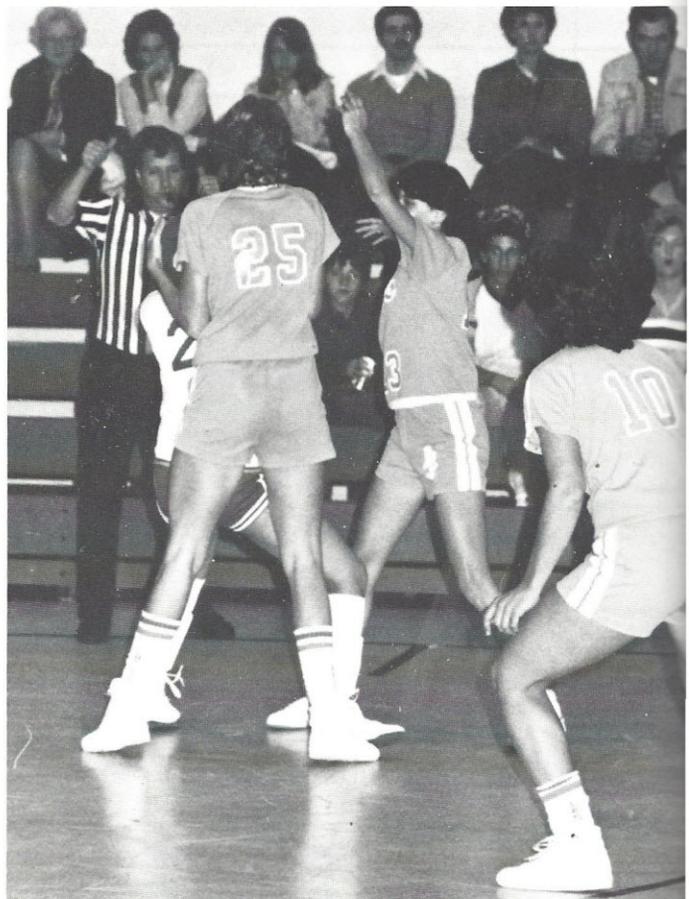

National recognition has also come to Jena. As a ninth grader, Jena was named to the AAU Junior Olympic team and played for the U.S. team in Boston. In addition, she was named All-American by *Street and Smith* magazine before her senior year.

During her last season at Richard Winn, Jena led her team to the top. She averaged 28 points a game and 12 rebounds. This is especially significant because of the many defenses used to shut her down.

As Jena closes her career at Richard Winn, she begins a new one at Clemson University. Eagle fans will follow her college basketball career with interest and pride. Hers will be a tough act to follow at RWA, and it is an honor to have had a player of her calibre. Number 25 has paid its dues and deserves to be retired.

# Lady Eagles Dominate Conference 3-AA

# Lady Eagles Win State Championship

The Lady Eagles won the highest award possible in SCISA, Class AA Basketball — the STATE CHAMPIONSHIP!

It was a dream-come-true especially for Coach Beth Reid whose own bid for the state championship as a player was denied as she sat out that game twelve years ago with chicken pox.

Nothing stopped the Lady Eagles this time as they methodically eliminated Byrnes Academy (53-41) and John C. Calhoun Academy (73-52) to reach the finals.

In the championship game against Pee Dee Academy, Jena Barnett proved her All-American rating by scoring 31 points as she led the Lady Eagles to victory. Other scorers were Betsy Caldwell 8, Liz Mattox 6, Abby Cathcart 3, and Frances Anne Hendrix 2.

## Conference Awards Given

Three Lady Eagles won awards at the close of the conference tournament. Besides winning the championship, Jena Barnett, Liz Mattox, and Frances Anne Hendrix were named All-Conference and All-Tournament. Jena was also named co-MVP for the tournament. Coach Beth Reid was named coach of the year for Conference 3-AA.

## Balance Is Key to Success

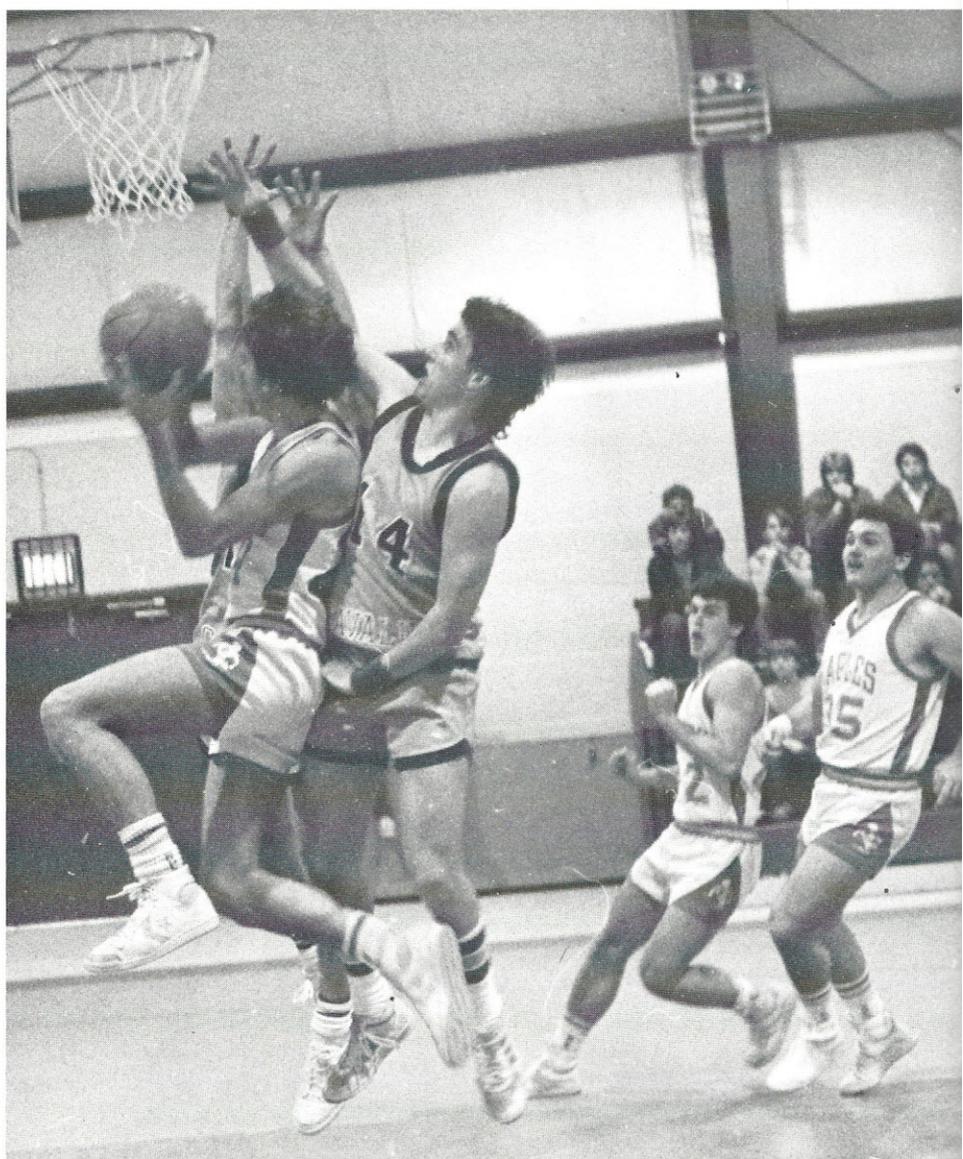

The Varsity Boys' Basketball Team used a well-balanced offense and a tenacious defense to win the Conference 3-AA title and advance in the state play-offs.

The Eagles made their presence known early in the season as they quickly jumped to a 6-0 record before dropping two in a row to Sloan and Calhoun of St. Matthews. However, the Eagles didn't stay down long as they came back to win eleven more games losing only three.

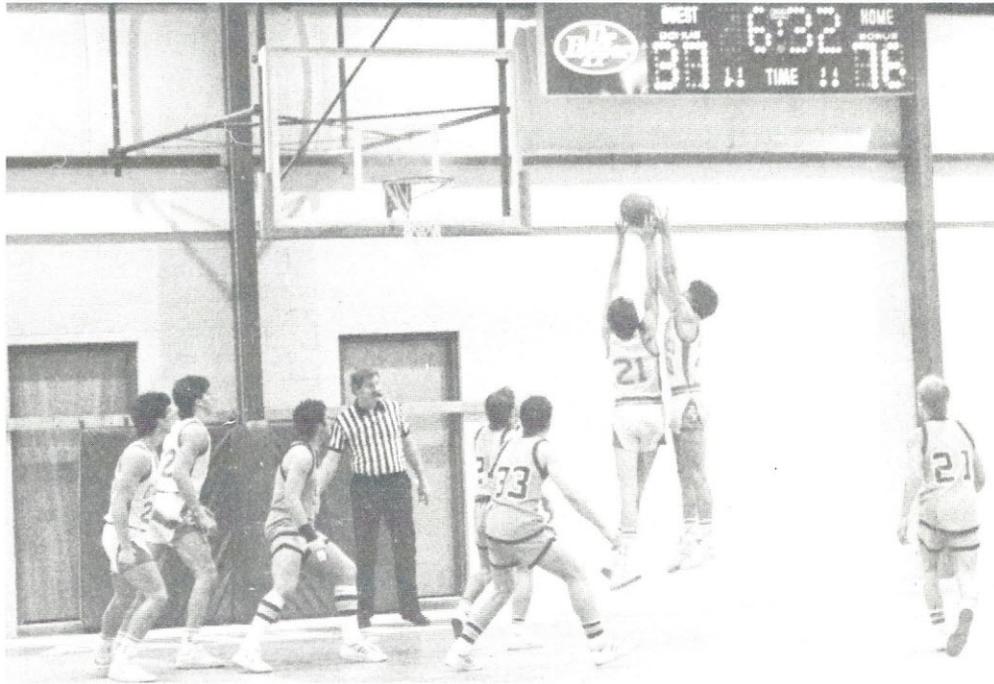

They ended the season as runner-up, but dominated the Conference 3-AA Tournament whipping Sloan and Catawba. As Conference Winners, they advanced to the state play-offs to play PeeDee Academy at home.

Conference individual honors were won by four Eagles. These awards were presented at the close of the tournament. Scott Barefield was named MVP, All-Tournament, and All-Conference. Chris Gaddy was also appointed to the All-Conference team. Todd Robinson was named All-Conference, and Robert Stidham was named to the 2nd team All-Conference.

The Eagles are coached by Mike Robinson and Jerry Wolff.

## Eagles Clinch Number Two in State

The Eagles clinched the number two position in the state as they were edged in the championship game by six points (79-73). Defending state champs, Byrnes Academy, held off the Eagles in an exciting finish to win the game.

The Eagles were paced by Chris Gaddy with 22 points, Scott Barefield 18, Robert Stidham 14, Rod Wilkes 10, Stephen Clyburn 5, and Todd Robinson 4.

Richard Winn had gained the finals by wins over Pee Dee Academy (56-40) and Dorchester Academy (66-49).

# Aerie '85 . . . A Collector's Edition

The 1985 *Aerie* is a collector's edition for many reasons. It is a history of a most unusual year in the life of our school. The yearbook records the hardships we suffered as a result of the tornado, the difficulty of being housed in temporary facilities, and the excitement we experienced moving into our new "aerie."

The yearbook also boasts several "firsts." This is the first annual produced in our new building, and it is our first yearbook to be delivered before the end of school.

It was the goal of this yearbook staff, however, to emphasize continuity rather than change. Certainly our surroundings have changed, but our dedication to excellence in all phases of school life has remained constant, and we continue to build our pride.
