

Mini-Course Week Offers Variety

Top left: Jody Beam and Jason Haynes inspect a State Museum exhibit in the State House during field trip to Columbia. Top right: Millie Mincey and other Middle School students enjoy an art workshop led by Mrs. Anne Stewart. Above: Allen Hagood investigates this large fish at Discovery Place in Charlotte.

The Lower School students also got into the act during Mini-course week as seen here during a gymnastics sessions. These students also went on field trips and were introduced to computers during this special week.
