CELEBRATE!

Twenty years ago, in 1966, Richard Winn Academy was established and started holding classes in the Cathcart House on North Congress Street in Winnsboro. Over the years RWA has grown in enrollment and size of facility. Enrollment has increased from about 120 students in grades 1-11 in 1966, to 425 in K4-12 presently.

In 1969, a new building was completed, and the growing student body moved to its present location. On March 28, 1984, this building was destroyed by a tornado, but a generous community offered temporary facilities to Richard Winn until a new facility could be constructed.

As Richard Winn prepares to commemorate its 20th anniversary, it is important to look back and remember our struggles and triumphs for we indeed have reason to CELEBRATE!

School Spirit Comes Alive

School spirit has been high all year, but during Homecoming Week it was at a fever pitch. The varsity football cheerleaders planned unique activities to allow students to express their spirit and get involved in supporting the Eagles.

Elliott Nicholson and Caroline deVlaming model their yard sale purchases.

Daily activities ranged from Old Timer's Day to a Sexiest Male Legs Con-

test. Students really were caught up in the action all week, but they were perhaps most creative on Celebrity Day. Alfalfa (two of them), the Pointer Sisters, Joe Morrison, and many others appeared at RWA.

The great support by all Eagle fans proves that school spirit is really alive here.

Surely Madonna's song "Angel" was written for Angel Kingsmore.

Eric Cathcart tries to steal a kiss from Kim Brown behind Lee Dixon's back.

Alfalfa (alias Jennifer Hunt) prepares to serenade.

Punky Brewster look-alikes are Sara Boyd Arnette, Tracey Leaphart, and Erin Weigle.

RWA's own Pointer Sisters — Hannah Phillips, Rana Weed, and Page Castles — "get excited" on Celebrity Day.

Millie Mincey (above) has really aged fast.

Senior citizens Nicki Humphries, Hannah Rambo, and Miriam Peay help each other down the hall.

Shannon Wade learns about layouts at Josten's yearbook workshop.

Jan Murray and Jennifer Bass help in Bible School at the First Methodist Church.

Sandi Wright, Cynthia Mazat, Frances Keels, Kim Brown, Annie McLeod, and Matthew Mazat enjoy their trip to the beach.

Between vacation trips in summer, Eric Robinson works at Cedar Creek Feed.

Hannah Phillips is taken on a sight-seeing tour by her host, Axel Wech during her summer trip to Austria. Below Axel is honored with a pool party given by Eric Cathcart.

Rambo Travels To Nassau With Teen Missions

Jonathan Rambo was one of four thousand young people who participated in the Teen Missions Program in the summer of '85. Teen Missions is a program which provides teenagers an opportunity to travel and to experience a missionary's life.

Jonathan was sent to Nassau where he helped construct a building to be used for offices and storage for the only Bible Camp on the island. When he was allowed free time, he caught up on washing his clothes and then headed for the beach where he enjoyed swimming and spearing fish in the sparkling clear water.

To sponsor his six-week trip, Jonathan had to raise his own money. Church groups and individuals who heard him speak about his project contributed to help him meet his \$1500 goal.

In reflecting on his experiences, Jonathan commented, "I now appreciate what I have more than I did before, but I would go back again if I had enough money."

Jonathan Rambo and Sandi Wright don their hiking boots and make ready for their Teen Missions Project.

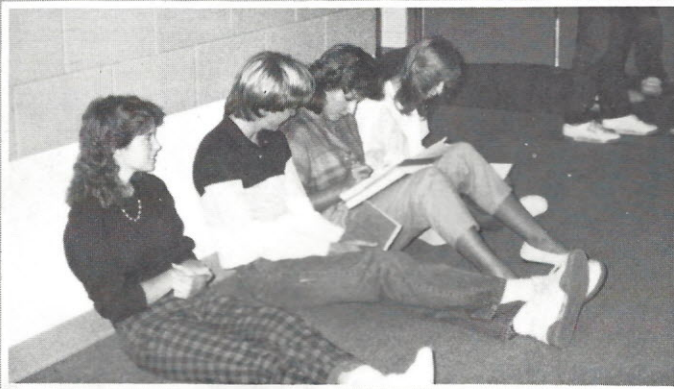

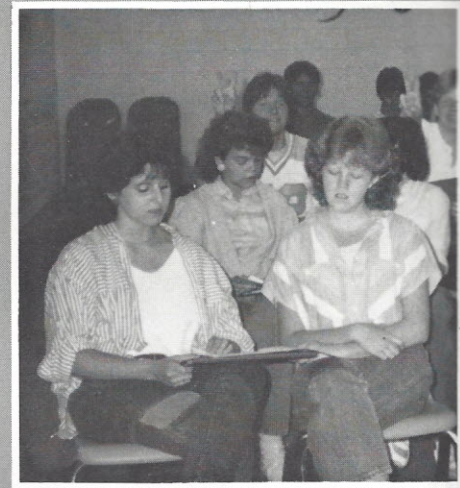

Pam Smith, Leigh Richardson, and Gina Kelly try to sing despite the antics of Eddie Maddox and Perry Mattox.

RWA Offers The Best Years Of Your Life

A Student's years at Richard Winn may very well prove to be the best years of his life. What makes this time special is not pulling an A on a major exam, meeting yearbook deadlines, or winning a state championship. It is the lasting friendships made and moments shared with others that make these

times memorable.

Also, through participating and working for individual and group goals, an RWA student develops a true sense of belonging which he will always fondly remember. He may even one day regard these school days as the best years of his life.

Jan Murray, Rhett Melton, Allyson Sanders, Teri Barefield catch up on homework and gossip before school.

Daryl Stout prepares for the day as Gage Lewis and Benjamin Porter look on.

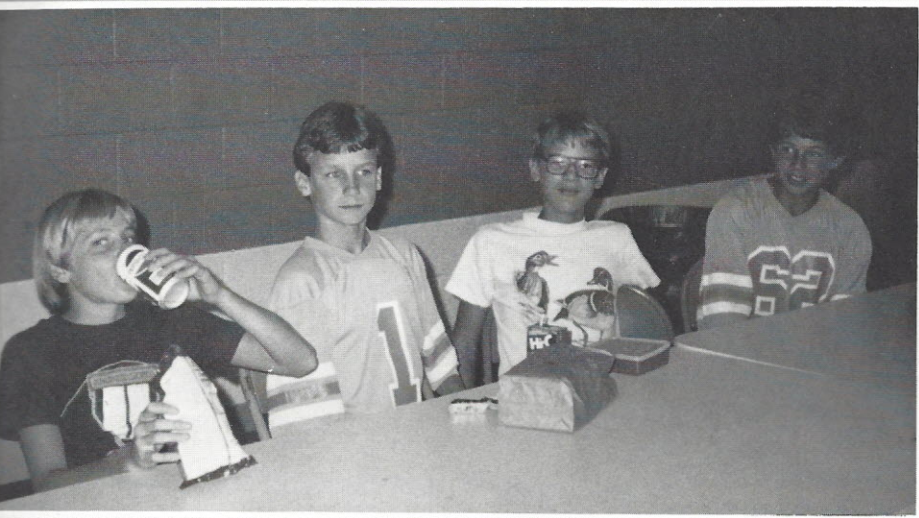

Tanya Babb flashes her winning smile to Eric Cathcart.

Did the mailman deliver Frances Ladd to RWA?

Like all little boys, B.J. Freeman, Adam Hawkins, and Russ Brown love dirt.

"Can I keep him, Mama?" asks Maribeth Coleman.

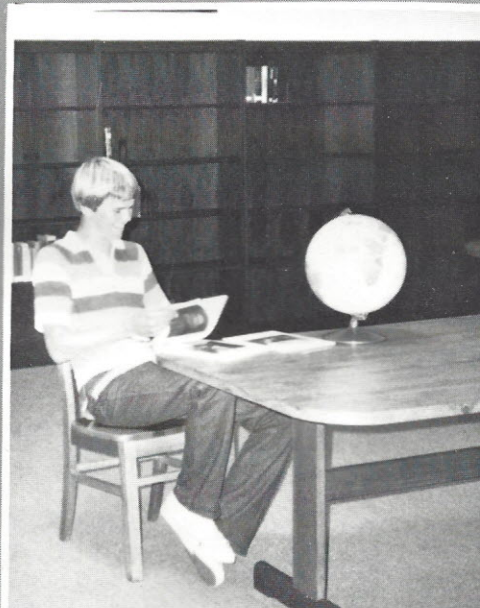

Keeping Rion Fetner company at lunch are Heath Cope, Matthew Mazat, and Steven Murray.

Robin Clinton and Todd Childers relax at lunch.

Joe Bierer plans his next vacation during study period.

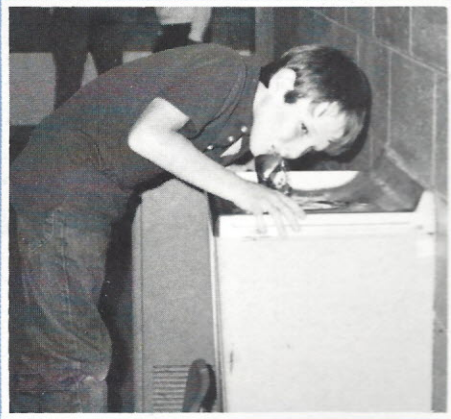

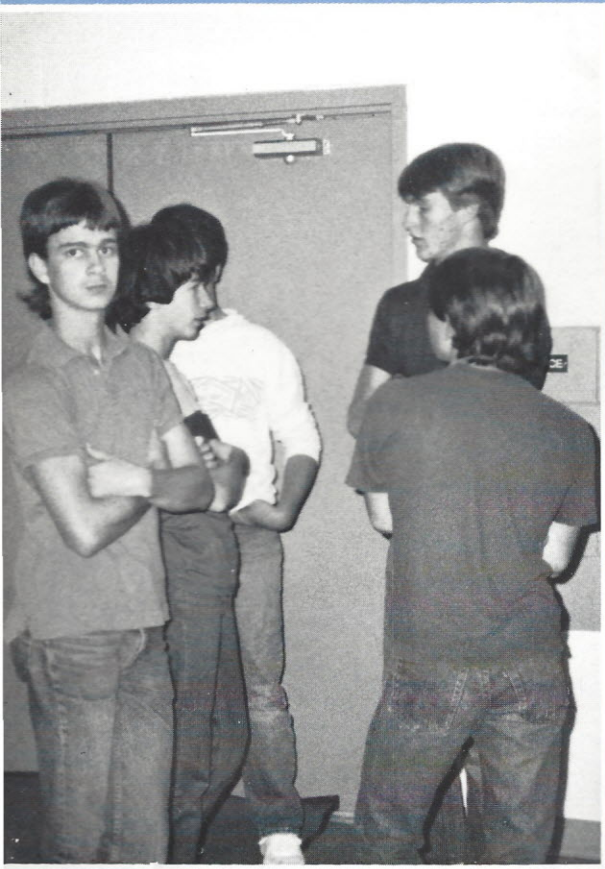

Louise Cathcart and Elizabeth Shedd seem happy to be back in school.

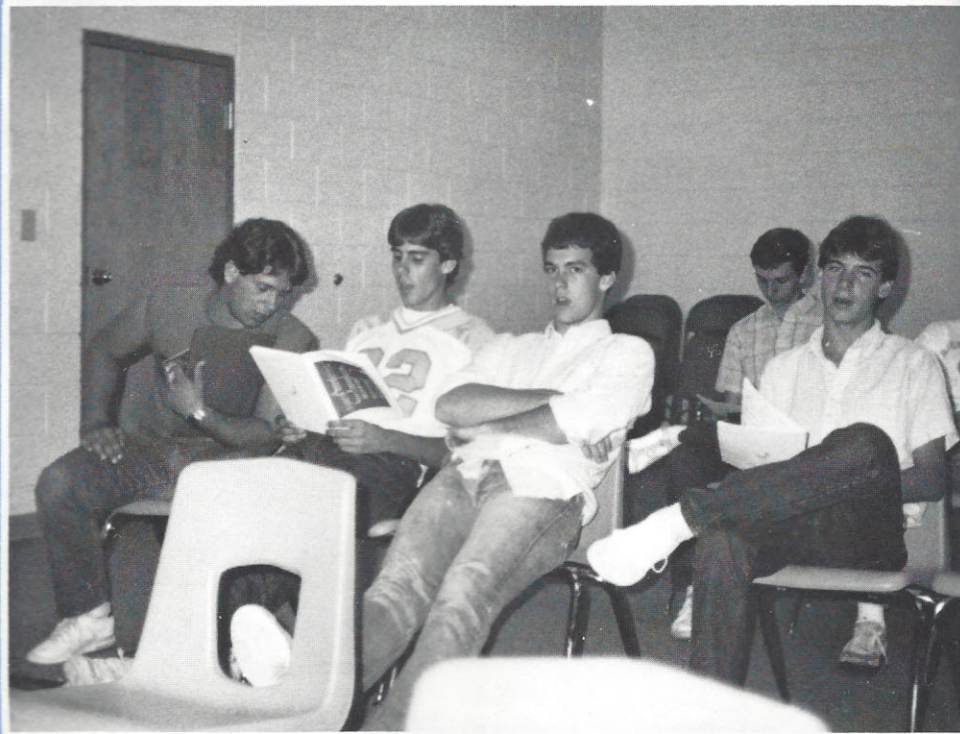

This group saves their energy during recess.

Ashley Wilson, Lester Robinson, David Scott and Allen Mattox swap stories before school.

Jason Robinson wets his whistle.

Singing in the chorus is serious business for Todd Childers, Chris Gaddy, Rod Wilkes, and Bill Barnett.

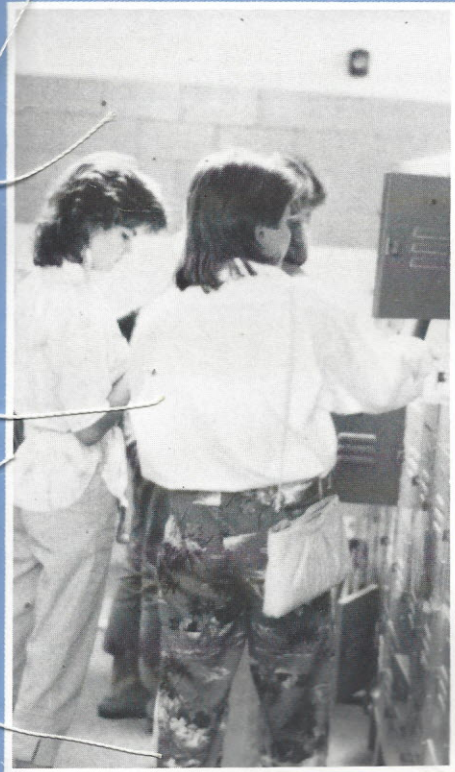

Bryan Holmes dreams of greatness as he waits for school to end.

Some people just enjoy hanging around on a sunny day.

Ms. Underhill shares goodies with her class.

Shannon Wade and Annie McLeod exchange books with their lockers between classes.

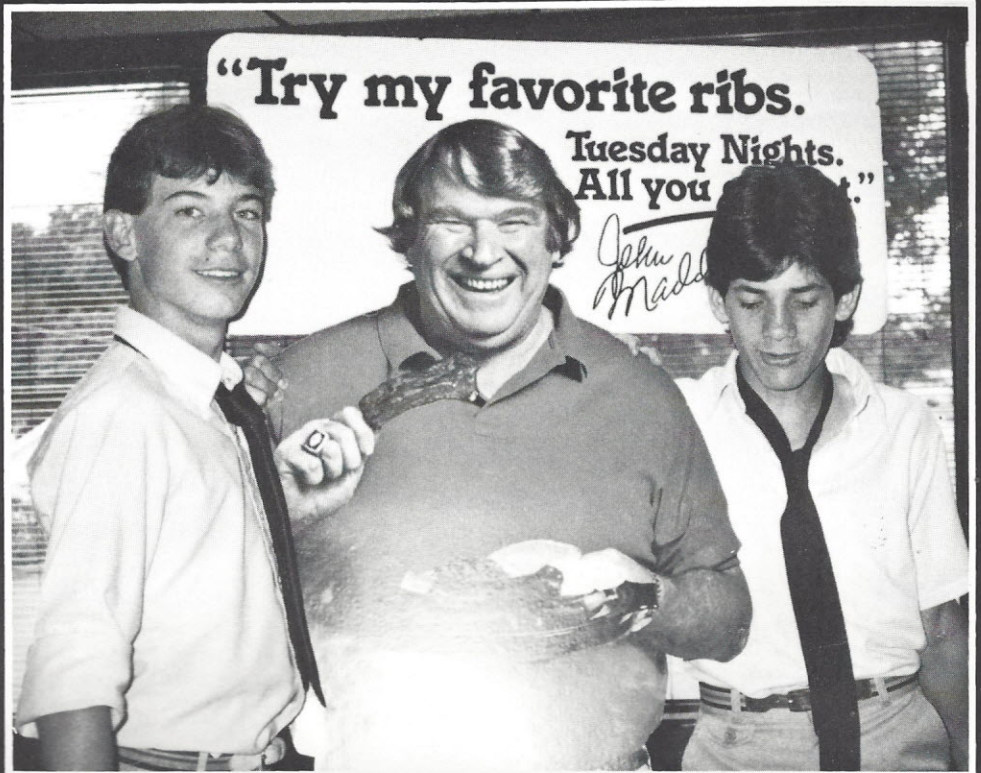

George Hollis says the magic words to his computer.

Bill Barnett and Jonathan Rambo make new friends wherever they go.

Tomorrow's cheerleaders almost have it mastered.

Will Black has been known to shoot photographers with that water hose.

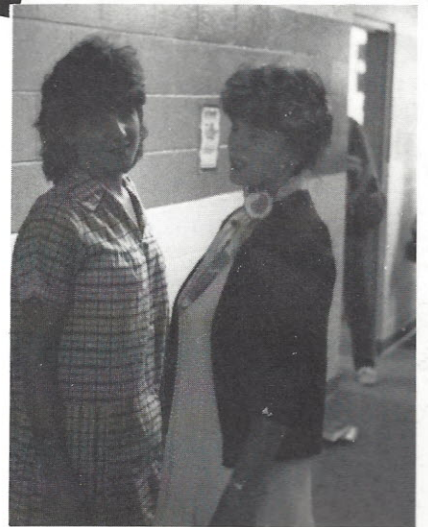

Retta Melton still manages a smile after a long, hard day.

Let's hear it for the boys — the Junior Varsity football team.

Frankie Hall learns to use a microscope in his seventh grade science class.

CELEBRATE!

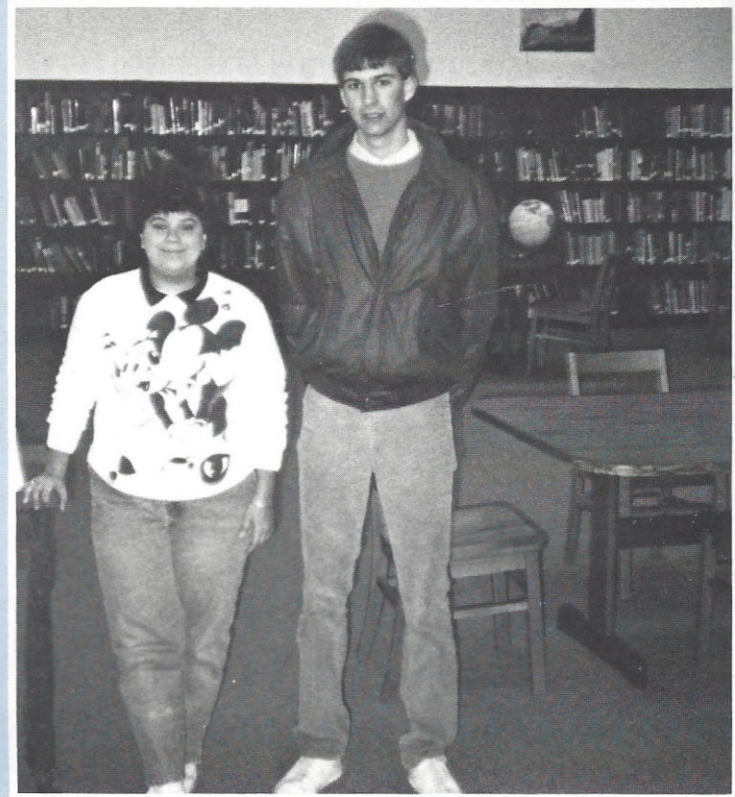

SENIORS

Patti Baker and **Todd Robinson** have the **MOST SCHOOL SPIRIT** in the Senior Class.

MOST INTELLECTUAL Seniors are **Leslie Jones** and **Rob Patrick**.

True Eagle Spirit

Todd Robinson's case is unique. He was injured in the tenth grade and was unable to participate in sports almost the entire year. He decided to repeat that grade because of so much time missed and also to be allowed to play sports a full four years.

Unfortunately, he was ruled ineligible to play this year by SCISA. That hasn't stopped Todd for being involved in other ways and showing his support. He is at every game lending a helping hand — tying on equipment or giving advice to the players or officials.

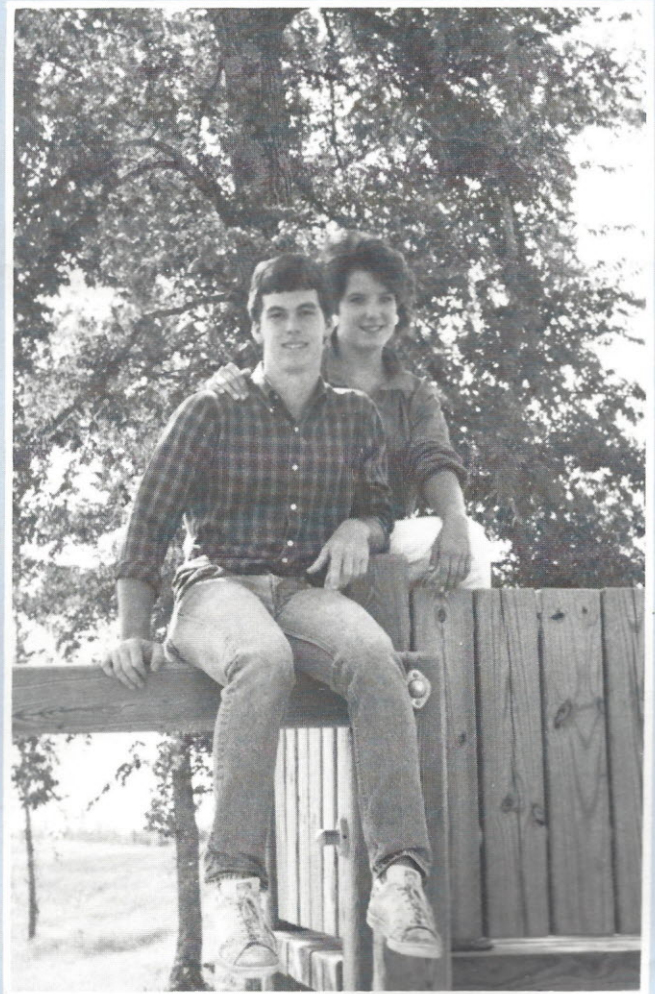

The fact that Todd is there like this shows his true Eagle Spirit.

Ann Teal and **Paul Holmes** exemplify **BEST ALL AROUND** characteristics.

Abby Cathcart and Ib Meyer are **MOST LIKELY TO SUCCEED** of the Class of 1986.

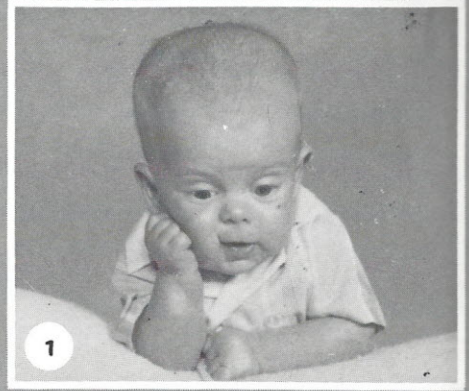

MOST ATHLETIC students are **Betsy Caldwell** and **Scott Robinson**.

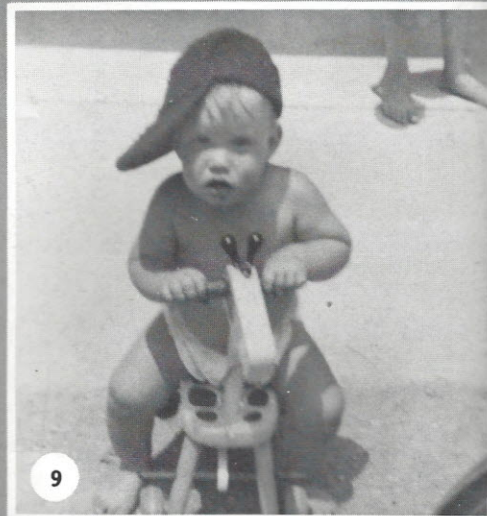

FRIENDLIEST Seniors, **Liz Mattox** and **George Hollis**, always have a smile for fellow classmates.

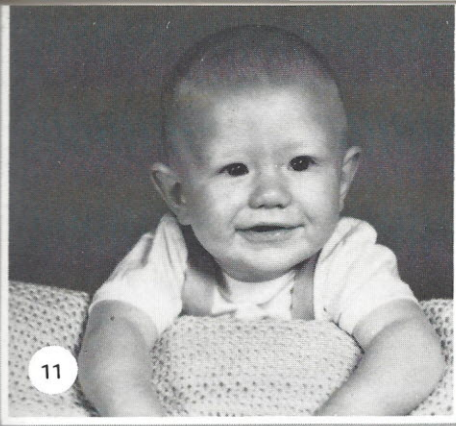

Seniors know they can count on **Frances Ann Hendrix** and **Rod Wilkes** who were voted **MOST DEPENDABLE**.

P.F.S.

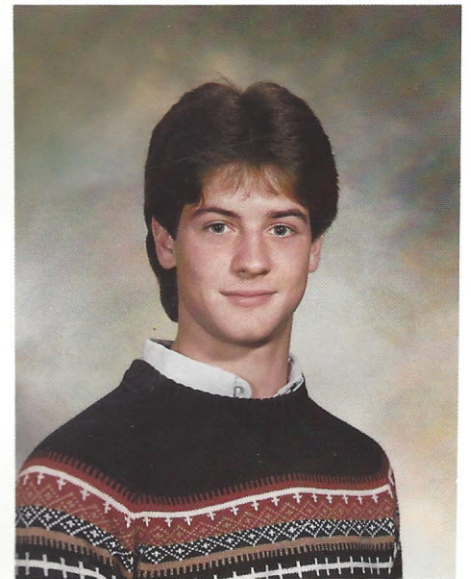

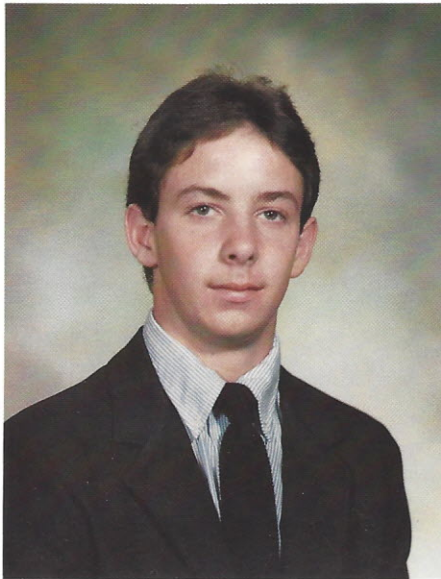

Nathalie Bersier
Jody Caldwell

By the time most RWA seniors reach graduation, they have been accepted by a college. Everything seems to be set for a bright future. Then it happens — P.F.S. strikes!

This malady (pre-freshman syndrome) is brought on in part by the feelings of superiority these same seniors have enjoyed for the past twelve months. They have been admired and envied by the underclassmen as the seniors left school for lunch or got out of school early on Fridays. They have been looked up to as leaders and stars of athletics and have attracted quite a following.

Suddenly, all is changed. Now, these graduates must start over at the bottom of the ladder in college as they become "freshmen" again. Feelings of uncertainty arise for, this time, being a freshmen will be different. They will not have their long-time friends at their sides, but must make new friends and face new challenges. "Will I make it?" "Will I fit in?" are natural questions of every P.F.S. sufferer.

Fortunately the cure also comes naturally. The "patient" is so busy in the weeks before leaving for college that he has little time to dwell on his problem. By the time he makes his first trip home in the fall, his symptoms have completely disappeared and everything is "mahvalous."

Swiss Lass Comes To RWA

Nathalie Bersier, and 18 year old native of Switzerland, came to Winnsboro in August 1985 as a Rotary Exchange Student. She stayed in the homes of seven different host families, several of which are RWA families. Nathalie was also welcomed as a member of the Richard Winn Class of 1986.

Nathalie's first days at Richard Winn were a little difficult for her because, although she had studied English, it was hard for her to understand "Southern." She soon became accustomed to the language, and began to assist Mrs. Robinson in the French classes and even to teach French to lower school students.

Actually Nathalie is further advanced in school than her peers here. She has already attended two years of college and will finish next year. At home she enjoys hand-painting porcelin, knitting, and horseback riding. She is quite like American teenagers, however. Her favorite pasttime here is watching MTV.

Senior Year Expensive

Being a Senior is an expensive proposition. The average Richard Winn Senior will pay out approximately \$500 in costs other than tuition during his senior year.

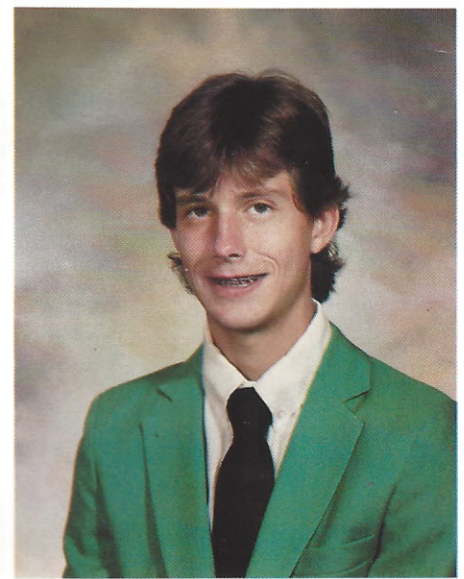

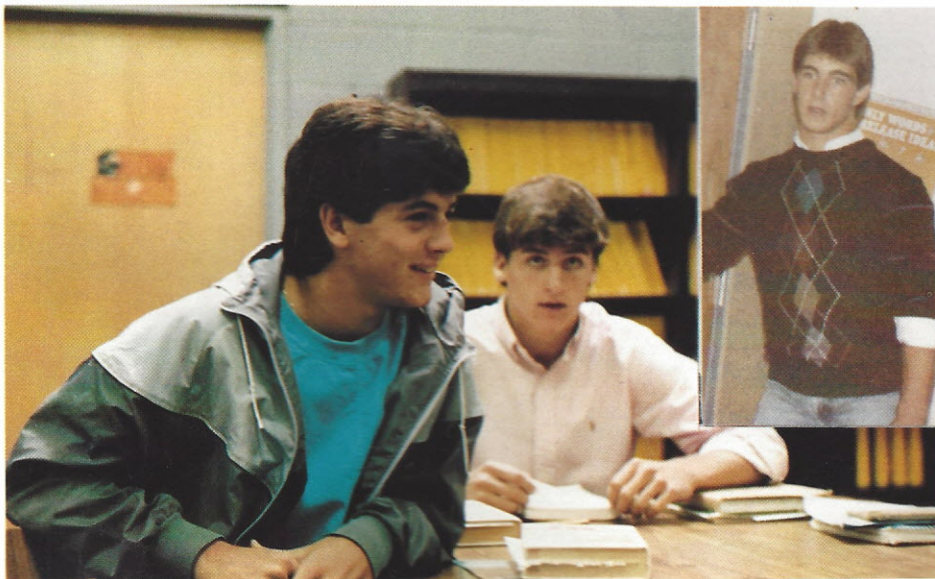

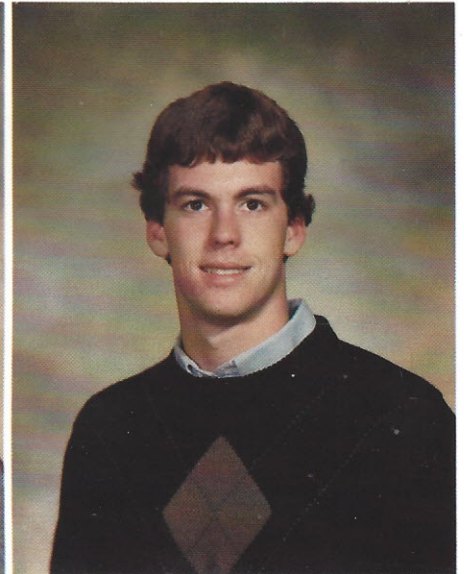

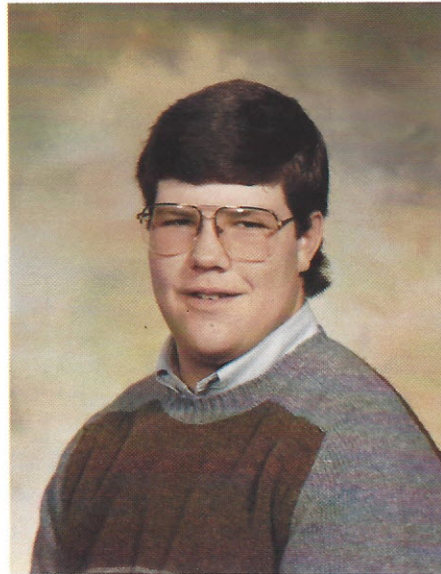

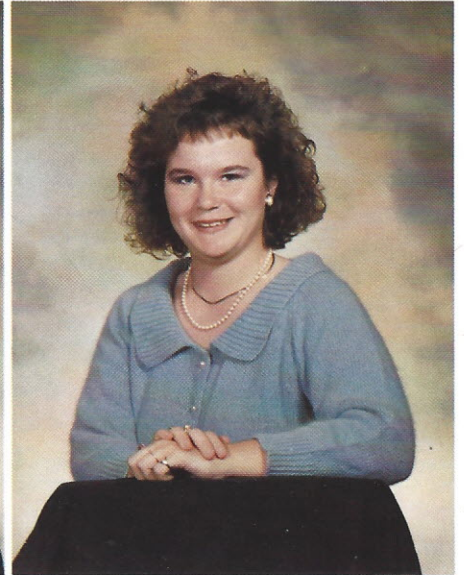

Many of these extra costs involve graduation. The senior must pay for cap and gown, diploma cover, and graduation invitations. Getting the bare minimum may add up to \$50-\$80.

Next is senior pictures. Every parent wants a picture of his graduating senior. Costs could run from \$30-\$80. Add \$6 for senior group picture.

Getting into college brings expenses for testing (SAT and achievement) that can't be avoided. SAT is about \$11.50 for pre-registered students and twice that for walk-ins. Achievement tests required by some colleges are \$15. College application fees are \$15-\$25 and are not refundable.

The Senior trip is an optional cost that could add \$350 to a senior's bill depending on the success of fund-raising projects.

All of these expenses just as one is getting ready to go off to college is rough. It would be much easier on the family if the student had a job.

ACADEMICS

Dedicated Leadership Keys Success Of Richard Winn Academy

During the twenty years of the existence of Richard Winn Academy, the school has indeed been fortunate to have had outstanding leadership from its Boards of Directors and Headmasters. These dedicated men and women have given countless hours to meeting the many needs of the school and seeing that it operated smoothly and efficiently.

It has been the goal of this body since the very beginning to offer a quality college preparatory curriculum to the students of this area at an affordable price. This goal continues to be met year after year as better than ninety-five percent of Richard Winn's graduates go on to higher education. At the same time, tuition at Richard Winn has remained at a favorable rate compared to other independent schools in this area of the state. This goal has not been accomplished by accident, however. It has taken the concentrated efforts of many people to make it a reality. The Headmaster, Mr. Taylor, and his supportive Board of Directors deserve much of the credit.

Homecoming 1985 was a special occasion at Richard Winn Academy because of the return of the alumni to the campus. At halftime the alumni were recognized along with the former Homecoming Queens and Team Sweethearts. The crowd was entertained by the presentation of homecoming sponsors and their escorts. Halftime climaxed with the crowning of the Homecoming Queen and Team Sweetheart. Another highlight of the evening was the blue and yellow balloons which were released, celebrating the rebirth of our mascot the Eagle. The Eagles were victorious on Homecoming with a score of 34 to 14.

High School Chorus

Mrs. Ellen Nicholson's chorus class is by far the most popular elective subject offered at Richard Winn. This year's class has over sixty students. The performing Chorus is made up of this group plus a few other students who can not take the class because of scheduling conflicts. These dedicated singers keep up with the class by practicing during lunch or after school.

The High School Chorus usually has two concerts a year for parents and friends — one at Christmas and one at the end of the year. In addition to this, they are often invited to perform for clubs or other local groups. In the spring, the Chorus participates in the SCISA music festival and goes on a two or three day performing tour of several private schools in the state.

Students Leave Classroom

Field trips, speakers, aerobics, and art were only a few of the varied experiences offered students during Mini-Course Week in January. This special week was planned by the faculty as an interim between semesters. It gave students the opportunity to learn outside of the traditional classroom settings.

High School students visited places like the Summer Nuclear plant, the Congaree Swamp, and the Riverbanks Zoo. Also, there were trips to the mountains, a ski trip, and a trip to Charlotte to ice skate. The French Club took an exciting three-day trip to New York City. A concert of religious rock music by Gary Davis and a performance of storytelling and reading of original poems by local artist, Tommy Scott Young, highlighted the week.

Sub-Freshmen went to art museums, the State House, and on a arrowhead hunt. Middle School Students enjoyed a trip to Discovery Place, learned art stenciling and hunter safety, and participated in gymnastics.

Lower school students were introduced to computers, went on field trips, and enjoyed special art projects.

Eagles Soar To Best Season Ever

The Varsity Football Team enjoyed its best season ever in 1985. Their 10-3 record included a first-time ever victory of rival Thornwell, a conference championship, and participation in the SCISAA Class AA State Semi-finals for the first time in our history.

The defense played a key role in compiling this impressive record. They recorded five shutouts during the regular season and allowed an average of only six points per game scored against them. The Eagle's powerful offense averaged twenty points per game. The offensive and defensive teams were anchored by RWA's seven All-Conference players — Scott Barefield, Bubba Tanner, Paul Holmes, Rod Wilkes, Scott Robinson, Todd Childers,

and Mack Johnson.

The Eagles entered the State Playoffs on their own field against the Pee Dee Eagles. The RWA team handily avenged an earlier season loss by whipping Pee Dee 41-20.

In the Semi-final game, the Eagles made the long trip to Hilton Head accompanied by two chartered buses of enthusiastic fans. After a close first half, Hilton Head Prep exploded in the third quarter and pulled off a 34-13 decision over the Eagles.

The Varsity Football team is under the able direction of Head Coach John Gasque and assistants, Ernie Hughes, Jerry Wolff, Donald Greer, Mike Robinson, and David Porter.

Eagles Capture State Championship

Richard Winn's Boys Basketball team capped an excellent season (24 wins, 3 losses) by winning the State AA crown in a strong win over Dorchester Academy of St. George. In the final game, the Eagles once again relied on intimidating defensive play, strong inside play, and good outside shooting to pull ahead of Dorchester and maintain the lead throughout the game. The margin of victory was only eight points (40-32), but Richard Winn was clearly in control the whole game.

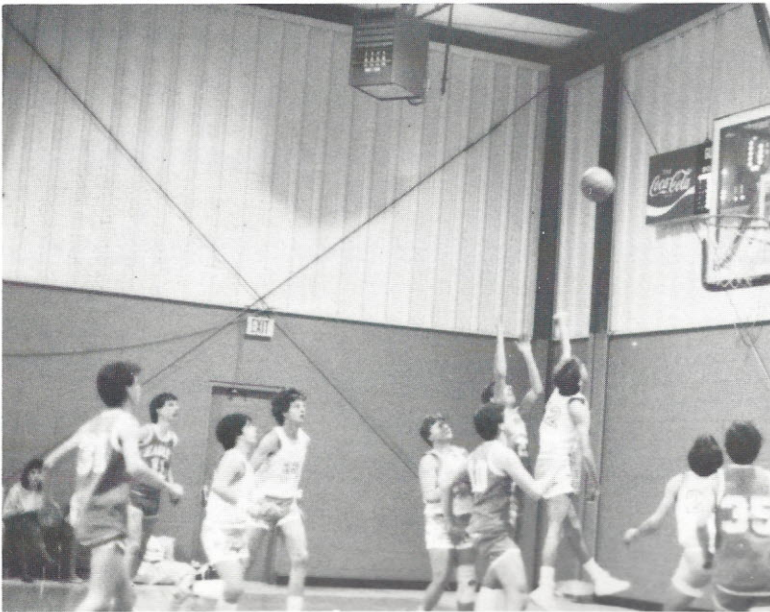

The Eagles, who advanced to State Runner-up last year, began their quest for the State championship early in the season and gained momentum as the season went on. They won the Conference regular season championship placing Scott Barefield and Chris Gaddy on the All-Conference team. With wins over Catawba and Sloan, they won the Conference Tournament. Richie Huggins and Scott Barefield were named to the All-Tournament team with Richie being named Most Valuable player.

In the State play-offs, the Eagles downed James F.

Byrnes of Florence 52-39. Byrnes had beaten RWA for the State championship last year. Our team then whipped Calhoun Academy 70-54 to advance to the finals. In this game Scott Barefield had 33 points and 12 rebounds; Chris Gaddy chipped in 10 points with 16 rebounds. Richie Huggins and Rod Wilkes contributed 14 and 7 points respectively. Stephen Clyburn always came through in clutch situations with fine board play and good defense.

In the championship game, Scott Barefield lead the offense with 16 points and Richie Huggins added 13. Scott Robinson was instrumental in the win with strong defensive play. Riochie Huggins and Scott Barefield were named to the All-State team. Scott was awarded MVP.

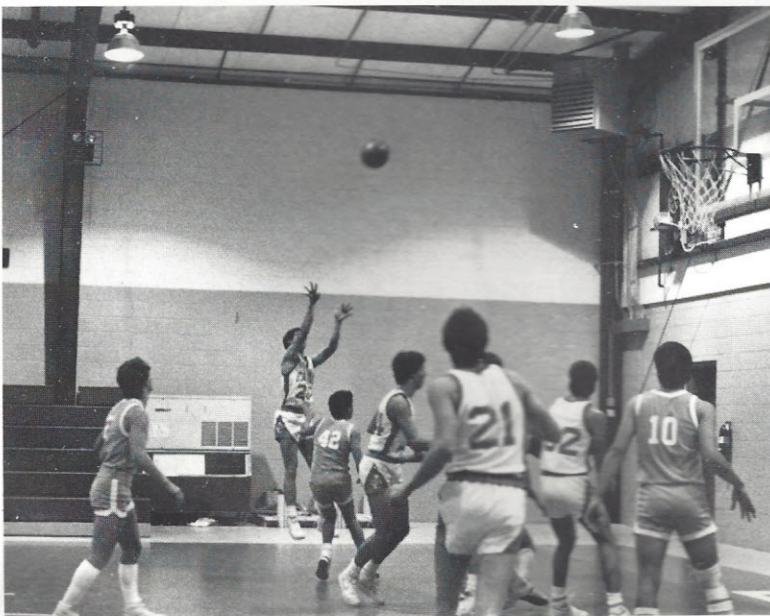

Eight seniors played their final game for Richard Winn. They were Scott Barefield, Stephen Clyburn, Chris Gaddy, Rob Patrick, Steve Reed, Scott Robinson, Richie Huggins, and Rod Wilkes. The team is coached by Mike Robinson and Jerry Wolff.

Girls Team Reaches State Semi-Finals

The RWA Varsity Girls Basketball Team dominated the conference and advanced to the State Semi-finals only to lose to an inferior team on an off night.

During the regular season, the Lady Eagle compiled an impressive record of 18 wins, 2 losses under the direction of first-year coach Deborah Russell.

In the Conference Tournament, the girls turned back Robert E. Lee and Catawba. Named to the All-Conference Team were Frances Anne Hendrix, Betsy Caldwell, and Liz Mattox. Frances and Liz also made the All-Tournament Team with Frances being named Most Valuable Player.

In the State Play-offs, the Lady Eagles defeated Byrnes Academy of Florence and seemed on the road to another State championship. However, in the semi-finals the next night, several key players experienced foul trouble early in the game and had to sit out. Despite this adversity, the Lady Eagles remained ahead until the fourth quarter when things began to come apart. They lose the game to Calhoun Academy whom the Lady Eagles had beaten only a couple of weeks before.

Frances Anne Hendrix was named to the All-State Team.

Spring Activities

Spring came early at RWA as the Boys Varsity Basketball team won the state championship. One of the team's coaches, Rev. Jerry Wolff, is seen in the pictures at left cutting down the net and talking to players during a time-out. Coch Wolff's contributions to Richard Winn over the years have been invaluable. As he leaves Winnsboro for another position, the gratitude and best wishes of the school family go with him.

First Graders were fascinated with the butterfly kits in which three butterflies emerged from the lava stage. In Mrs. Harden's class Benjamin Porter and Joseph Cope watch as a butterfly dries its wings.

Like Rhett Melton and Lester Robinson, many students learned the techniques of making artistic gold rubbings. From metal plates they copied pictures of figures from British history.

Editors' Note:

During the twenty years of Richard Winn's existence, many people have contributed to the school in many, many different ways. It would be impossible to recognize all of them. For this reason, we decided not to have an individual yearbook dedication this year, but rather dedicate the 1986 Aerie to everyone who has contributed to the success of Richard Winn. We salute all of you.

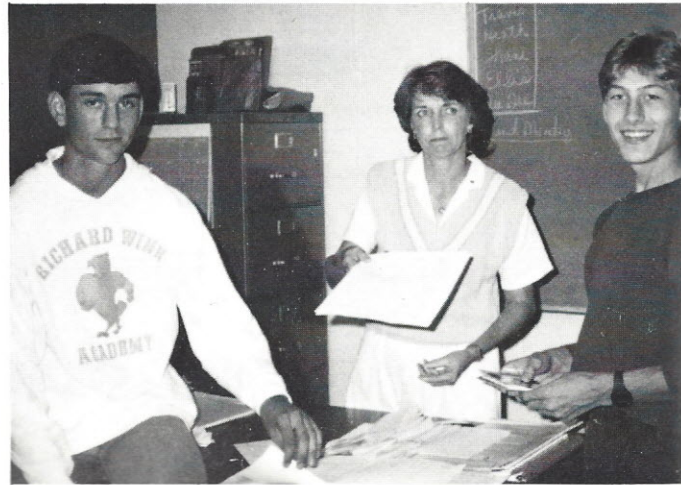

We hope that this year's edition will be more complete and accurate with the addition of a summer supplement. This supplement will cover such events as Spring sports, Miss RWA contest, Junior-Senior Prom, and graduation which occur too late in the year to be included in the yearbook.

We appreciate the support of the administration and students of Richard Winn and especially the support of our advertisers. We commend our staff for its hard work and dedication and thank Mrs. Murray, our adviser, for her guidance and patience.
