

Parents Key Our Success

What would we do without our parents? When we need them, they are always there, and we owe much of our success to them. They're at all our athletic events, spelling bees, beauty pageants, and recitals rooting for us, celebrating with us when we win, and cheering us up when we lose.

Our parents also get involved with school and individual class projects such as bake sales and other fund raisers. This year the Senior Class Parents sponsored Las Vegas Night to raise money for the Senior Trip.

A number of parents volunteer regularly to work in the concessions at all home ballgames. In addition, several parents have contributed greatly as coaches.

Although we often take our parents' support and help for granted, we do appreciate it. They continually show their class.
