

## College Scholars

College Scholars must have high academic averages and good SAT scores which qualify them for scholarships given by the respective colleges. Pictured above are (front) Pam Smith, Leigh Richardson, Rose Owens, Jan Murray, (back) Scott Peak, Allyson Sanders, Brad Brantley, and Greg Castles. They were named scholars to various colleges including Columbia College, Erskine College, The Citadel, Furman University, Presbyterian College, and Limestone College.

Eric Robinson and Fran Jolly went to Youth Conservation Convention and Farm Bureau Leadership Conference at Clemson last summer.
