

JV's end season on positive note

The JV football team ended their 1988 season October 20, on a positive note with an exciting game against the Robert E. Lee Cavaliers from Bishopville. The much larger Lee team came into the game boasting of an undefeated season in which they had previously beaten the JV Eagles 16-0. However, the Eagles showed much determination as they displayed a ball control offense and an aggressive defense that stopped the Cavaliers' attack. The game ended in a 0-0 tie, but the coaches, as well as many fans, felt that this was definitely a win for the young Eagle team because of their dominating play.

The JV team improved and played with enthusiasm and intensity during the season. This was evident by the close competitive games against larger teams.

The Eagles finished the season with a 1-4-1 record. Their win was over Wardlaw Academy from Johnston. The score of that game was 16-6. Even though the JV's did not have a winning season, Coach Porter and Coach Robinson both felt that it had been a successful year as far as the progress and accomplishments of the team. The coaching staff is very proud of all the players and the effort they put forth.

Camak Blair (73) and a host of Eagle defenders stop Robert E. Lee cold at the line of scrimmage and go on to tie the game.
