

Young Eagles enjoy a varsity football game.

Mr. Carroll Taylor, is that you?!

Student Activities

The 1990-91 school year contained many interesting social activities for Richard Winn students. In the fall, pep rallies gained momentum for our football team as they prepared for their games. The Harvest Festival offered food and fun for all ages. The middle school trip to Williamsburg also proved to be a smashing success.

"See . . . I told you so."
