

# Varsity Baseball Makes State Semi-Finals!

The Eagles, despite having only three seniors on the roster, finished the season at 9-9 and advanced to the semi-finals in the state play-off.

The Eagles completed the regular season with a 3-3 region mark and tied for second position with Catawba. That forced a one game play-off for the runner-up spot that the Eagles walked away with.

The victory gave Richard Winn second place heading into the SCISSA play-offs and pitted them against Clarendon Hall. Richard Winn topped the Saints in games one and three to move to the semi-final round.

The Eagles improved greatly during the season as evidenced by their outstanding play in the play-offs. With seven starters returning for next year, Richard Winn should be solid in baseball once again.

John Lewis hits a beauty!

Stephen Murray never loses sight of the ball.

Michael Dickerson says, "You mean I've got to hit it where?"

Members of our BIG BAD EAGLE MACHINE gather before the game.
