I would like to personally thank Dianne Arnette, Lou Ann Coleman, and Martha Ladd for your dedication on this 1991 yearbook. I can't describe the countless hours that you spent away from your families. Thank you husbands and children! Also, thank you Todd Adams for your help in completing the book. Good luck as Editor next year, Todd. Again, a special thank you to these people. I could not have completed the book without your help.

Richard Winn is a wonderful school and I have enjoyed my three years in Winnsboro. I will always remember what special people I've met here. Thanks for the many memories.
