Congratulations Jewels!!!
May your future be as bright as you are.
Good luck and always remember you can do any-
thing or be anything you want to be.
Much love,
Mom, Dad, and Matthew

The senior year is one of "end-ings" and "beginnings". There are so many "moments in time" to cherish as memories: pep rallies . . . chorus . . . p.e . . . lunch . . . senior priviledges

SENIORS DELIGHT IN

. . . It's a time to focus on the future. "What will I do?" "What will I be?" "How will I get there?"
