When it comes to boosting the JV football team, this energetic squad did its job. Consisting of seventh, eighth, and ninth graders and sponsored by Mrs. Tutta Startzman, this group of ten was a powerhouse of spirit. Keep it up girls — varsity is not far away! !

It takes many practices to master the acrobatic skills that make a team top notch. This was a coordinated effort to encourage and support the JV's.

The squad "pulls" for the team during an exciting home game.
