

Eagles Hang Tough

TEAM CAPTURES STATE RUNNER-UP TITLE

Who will ever forget the baseball season of '92? It was the one we thought would never end but did with a State Runners-Up trophy.

Coach Todd Robinson, assisted by Chris Reynolds and David Albert, worked the team hard on batting, fielding, and physical strength which played major roles in getting them to the playoffs and having 2 players named to All State: Jef Raley and Chris Bass. Standout Jef Raley lead the Eagles with homeruns and intentional walks. Team members Cal Caldwell, Chris Bass, Jef Raley, and John LeGrand contributed to the pitching efforts.

Who will ever forget the baseball team at the Athletic Banquet? Everyone was fretting that the team wouldn't make it to the banquet, but they did. Tired, sweaty, dust-covered, and in uniform, the team made it after celebrating an extra inning win at home against Mimms in the playoffs. After defeating Holly Hill in the semi-final round, the championship round took them down the road to Dillon to play Avalon. Despite the outstanding efforts of our Eagle '9', Avalon captured the championship in extra innings.

The '92 baseball season was a special and memorable era in the life of these young men and a big accomplishment of which to be proud!

Senior Cal Caldwell delivers a pitch right across the plate during a home game. Cal also served the team as second baseman when he wasn't on the mound.

Trying to advance to second, Ryan Bond has to return to first base. Did he make it? Safe or out? You make the call.
