

Seniors join Chorus for the last time.

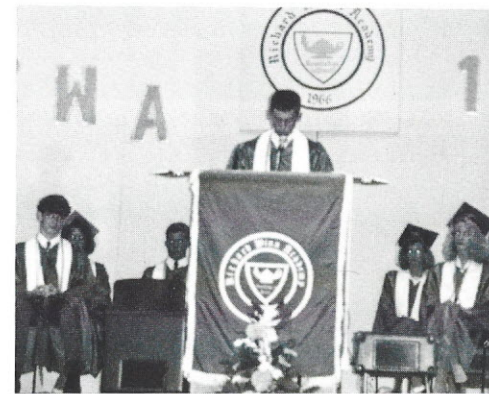

A time for celebration ... !

Valedictorian Jane Blair Rabb charged her class with "The Choice is Yours."

Cal Caldwell lightened the mood with his humorous observations of classmates.

Congratulations Class of '92!

Richard Winn Academy graduated its 25th group of students on May 25, 1992. The class, consisting of sixteen, was small in number but tremendous on accomplishments. This class has collectively acquired more than \$200,000 in scholarships, grants, etc.

We'll miss them, but we challenge them to remain true to their alma mater. **BEST OF EVERYTHING!**
