In Appreciation and Dedication

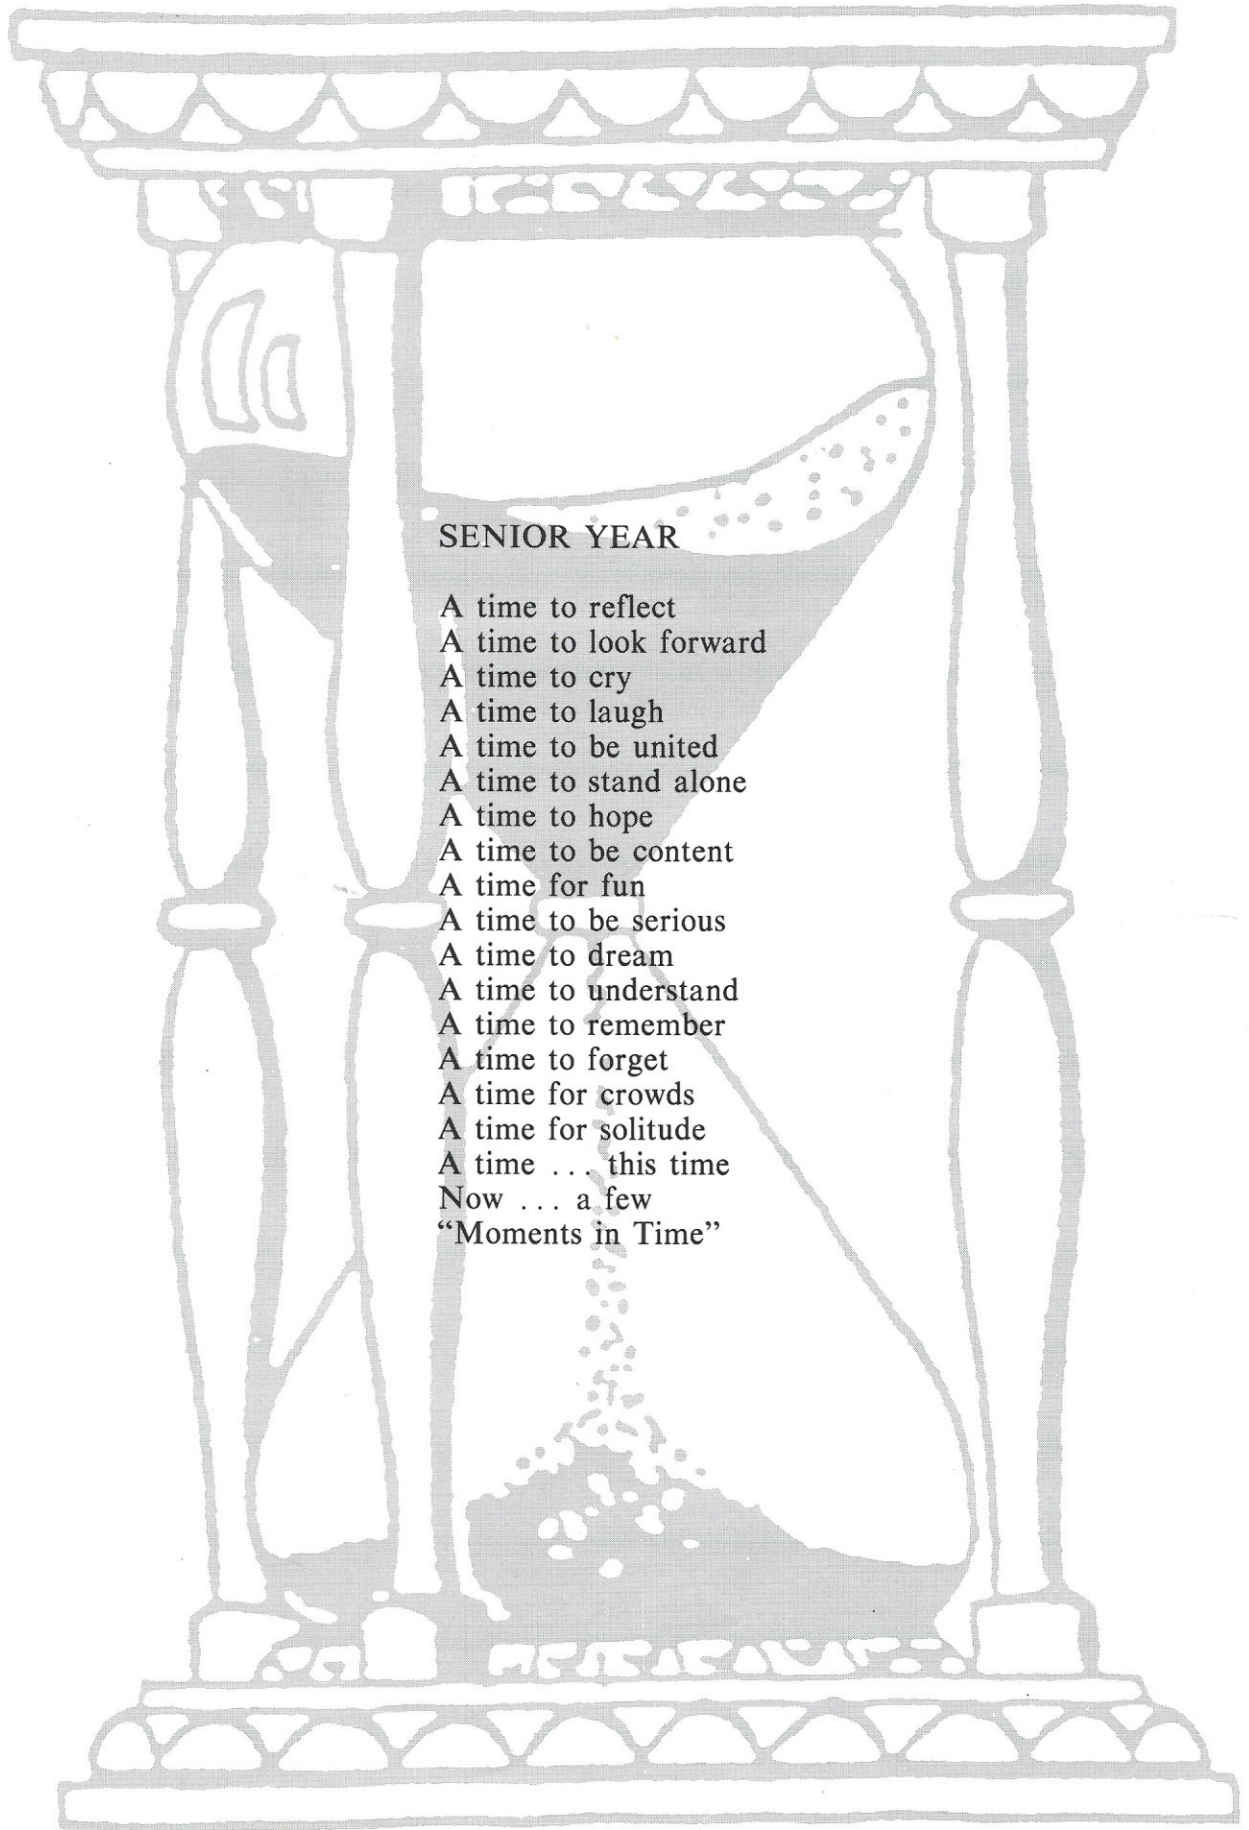

MRS. RENEE J. ALLEN

A graduate of USC-Coastal, Mrs. Allen has been an active part of the RWA family for three years. She is married and has two children. In addition to teaching middle and high school sciences, she also finds time to serve the Sr. class, the varsity cheerleaders, and the Jr. Academy of Science as sponsor/advisor. With much appreciation and gratitude, the class of '92 salutes Mrs. Renee Allen.

Sincere Congratulations Paige Renwick!!!
We are so very proud of you. Good Luck and Best Wishes for a wonderful future.
Love ya,
Pop and Mom Renwick

During Homecoming Week, students showed their spirit and sense of fun by electing Brent Kelly "Homecoming King".

Al and Jane were caught in the kindergarten room at the book shelf. Is that where they researched their term papers?

The Upper School consists of grades six through twelve. Enveloped in this small area is a myriad of activities. There are those anticipating changing classes for the first time, participating in junior varsity and varsity sports, and preparing to take PSAT and SAT; along with those eagerly awaiting a trip with Mrs. Nicholson. Amid all of the excitement of being in the "upper school" is the introduction of biology and dissecting frogs, algebra and quadratic equations, English and term papers. These energetic students stay busy in and out of the classroom and keep everyone inspired with the spirit for life evident in every "nook and cranny" of the Upper School.

Never A Dull Moment

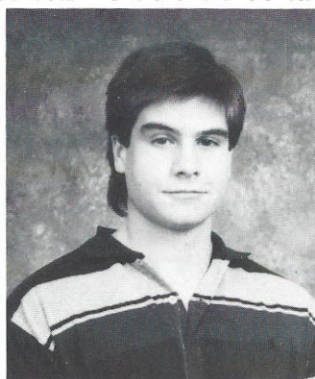

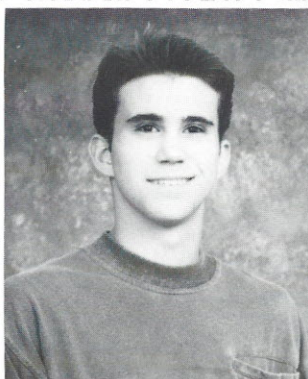

JUNIORS STAY BUSY RAISING FUNDS

Because the Class of '93 is so small, they really had to pull together to make their junior year a success. In preparation for the prom, they began fund raisers such as bake sales, and the sale of hams, turkeys, poinsettias, and Christmas trees. Their sponsor, Mrs. Cathy Spires, was a great help throughout the year. But in the midst of all their hard work, they had time to have fun. Over half the class was involved in football or cheerleading. Other class members played

tennis, basketball, softball, and baseball. In November most of the class traveled to Atlanta to see The Phantom of the Opera. Smaller groups went to see South Pacific and a Van Gogh Production. In

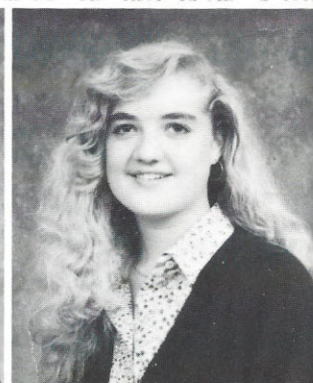

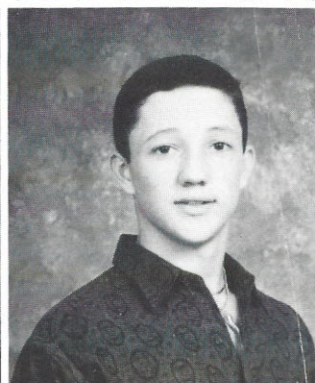

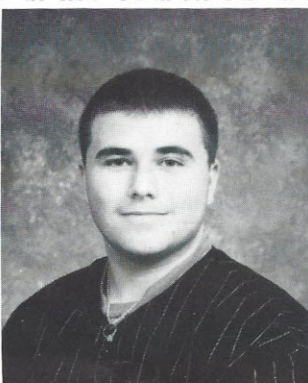

April the group went to Greenville to visit the Bob Jones University Art Gallery. In all, it turned out to be a hectic but fun year.

"VERSATILE" DESCRIBES THIS LARGE GROUP

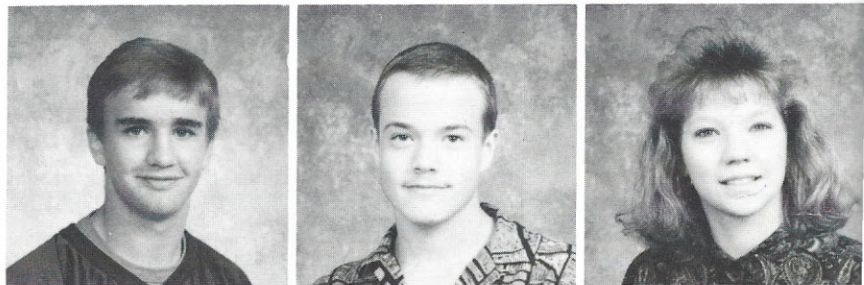

The tenth grade was a close group of students who had a good time together. Three new students were added to the tenth-grade family — Donna Faulk, Christy Davis, and Tricia Wishert, bringing the number to twenty-five. For the first time since seventh grade, most of these boys and girls were back in the high school chorus and thoroughly enjoyed the chorus trip to Atlanta in the fall to see The Phantom of the Opera. Also some of them entered the Literary Meet in Holly Hill and displayed their talents in speaking and acting. The students especially enjoyed sports as a release from the stress of studying. All in all, the tenth graders were quite serious and creative but also had a good sense of humor and fun about them.

Finally . . . Freshmen!

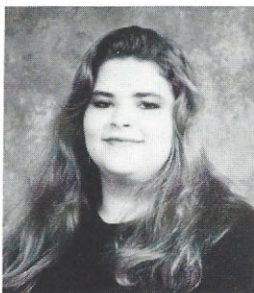

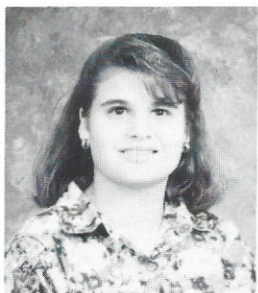

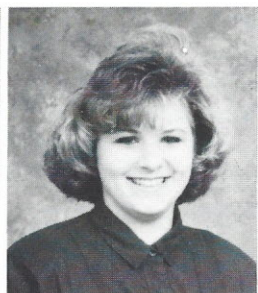

The ninth graders were talented in unusual ways. Some of the class members attended the Literary Meet at Holly Hill Academy in the spring and displayed their abilities in extemporaneous speaking, acting, and oral interpretations. In sports a number of the boys excelled in football, and the girls enjoyed basketball, ten-

nis, softball, and cheerleading. Wanting to improve their academic scores, the students worked hard to achieve their goals to attend college. The twenty-three ninth graders will be remembered for their unique individual expression and opinions.

Sub-Freshmen Are "On The Go"

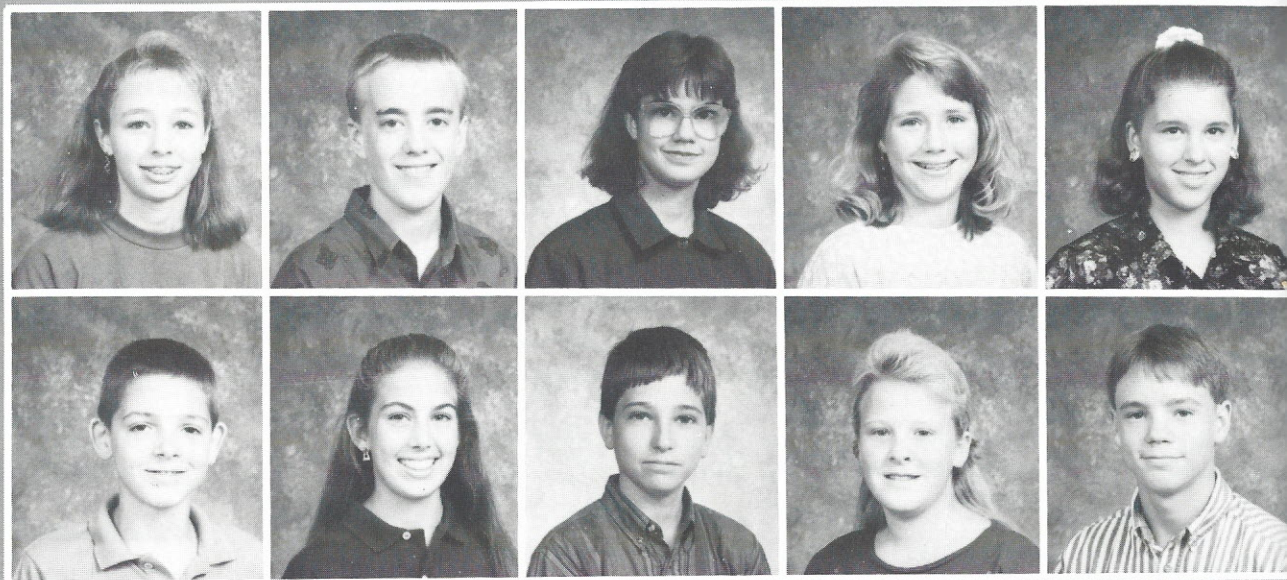

HAVING FUN . . . A WAY OF LIFE

The eighth grade found the year a difficult one as well as a demanding one. These perceptive students, however, accepted this challenge to excel both academically and athletically throughout the year. A new experience for the eighth grade was the composition of a

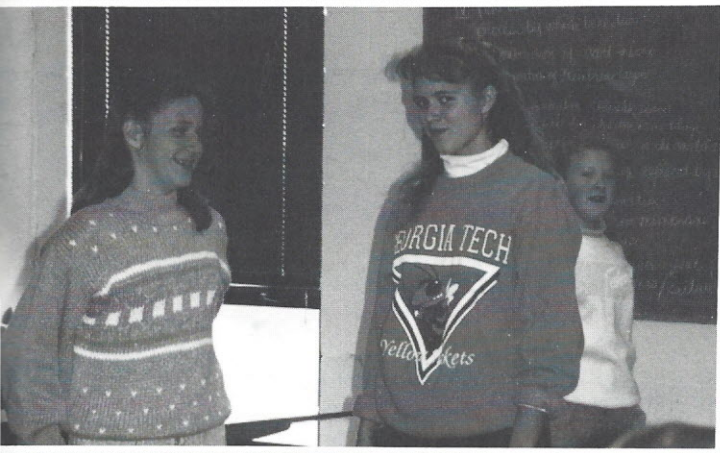

600-1000 word DAR research paper on "Famous Women of the Revolution." Also, in computer class the group compiled a newspaper that was issued before Christmas and again in the spring. Even though the eighth graders found their work formidable, especially in

English and Algebra I, the students looked forward to the knowledge and skills they gained. For their pleasure the boys and girls enjoyed sports, such as tennis, softball, baseball, football, and cheerleading.

SUB-FRESHMEN HAVE WHAT IT TAKES — This group of eight graders exhibit many talents and personalities, but one attribute that outweighs them all is their achievement in academics as a class. They have repeatedly shown their skills on many occasions. Keep up the good work!

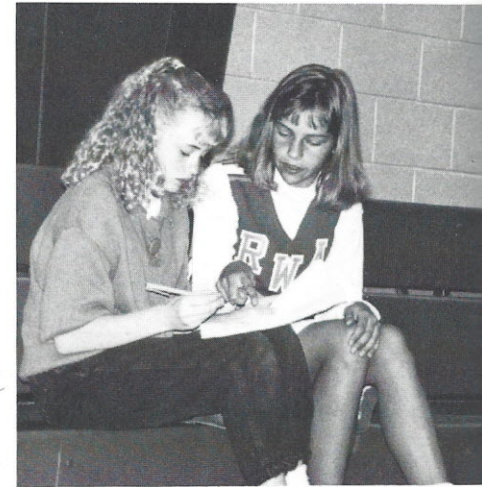

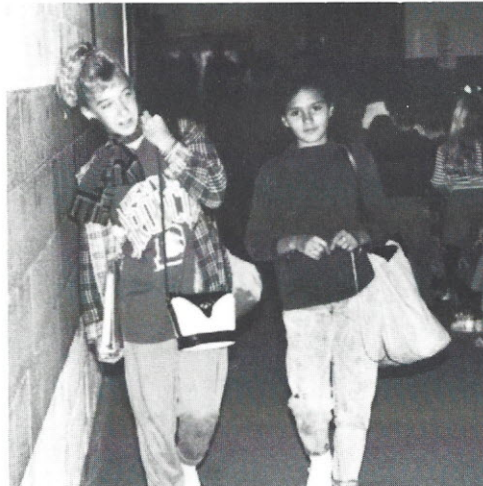

Before class everyone's thoughts are far from books. It looks like Luke may be trying to hide something. Nah, couldn't be!

Seventh Graders Arrive

This year's seventh grade was the largest class at Richard Winn. Fifteen of the twenty-seven students have attended RWA since they began school in first grade. This diversified group excels in many areas. Fourteen are members of the Jr. Beta Club, and several of those assist lower school teachers by tutoring, filing, and playing "gopher". Many are sports oriented, too. Out of the twenty-seven, thirteen participate in junior varsity sports, laying a good foundation for the varsity squads to come. We can expect great things from this group.

Well now, aren't they a photogenic group.

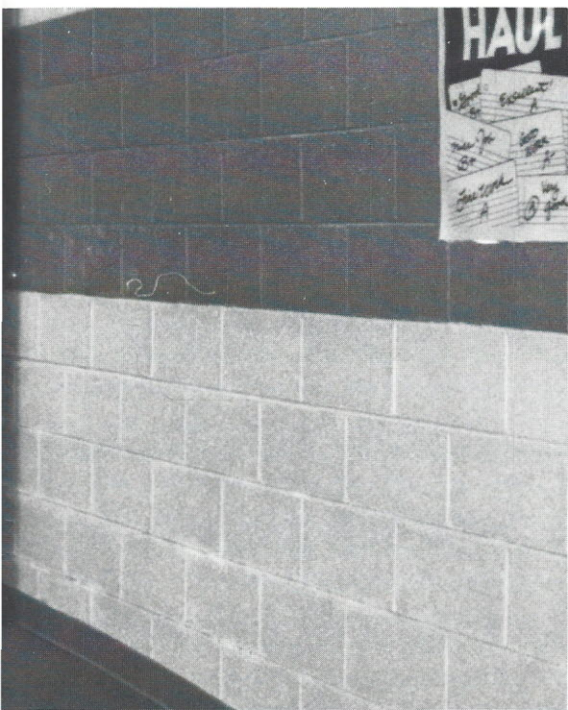

The sixth graders have experienced many "firsts" this year — from their previous years in a self-contained classroom to changing classes each 50 minute period and adjusting to 3 different teachers. Along with this more grown-up schedule came lockers, a daily p.e. period, a 30 minute lunch time, and the opportunities to take part in jr. varsity sports and earn a spot in the Jr. Beta Club. During the school year, these energetic students were kept busy with social studies, science, and math projects. The medi-

eval castles were displayed in the school library for the whole student body to enjoy.

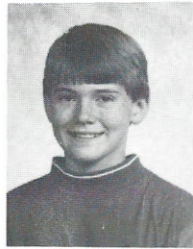

The highlight of the year was a 4 day trip to Washington, D.C., in Jan. Mrs. Nicholson, Mrs. Ladd, together with 20 parents chaperoned 47 sixth and seventh graders. As the school year passed, this group learned that along with independence came more responsibility — another "first" in the long road to maturity.

The faculty and administration at Richard Winn wear many “hats” to fill the voids in this small setting. Many teachers “go above and beyond the call of duty” by tutoring after school, sponsoring clubs and classes, decorating for various school functions and extra-curricular activities, etc . . . The pages within this section show how our faculty teach classes, present questions, listen to students, but they cannot show the dedication demonstrated by these people. Much of their work continues after 2:25 — compiling grades and records, grading papers, preparing lessons, and worrying about students. The teachers who become class sponsors have the additional task of coordinating fund-raisers and other class functions.

Our board of directors is a unique blend of parents from different sections of the surrounding area. Under the leadership of Bobby Caldwell, these twelve men and women discuss and formulate rules and policies pertaining to the function of our school. Needless to say, Mr. Taylor’s job is to see that the school runs smoothly. Without the support and sacrifices of people like these, Richard Winn Academy could not operate.

Administration

Mrs. Susan Young — RWA's secretary and bookkeeper, she spends endless hours trying to budget RWA's money and take care of our students all at the same time. Mrs. Young's unending dedication to RWA is prevalent in her work.

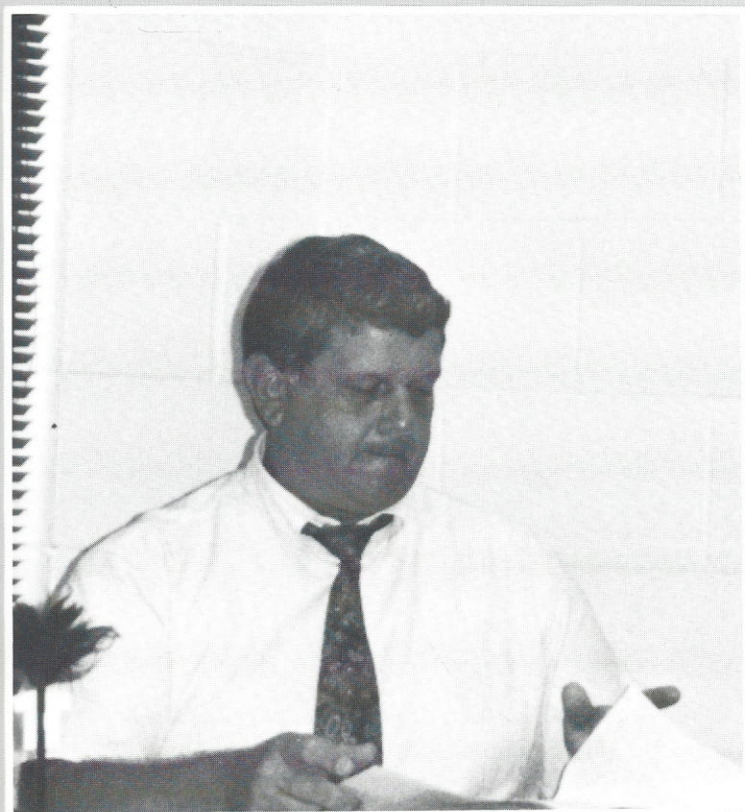

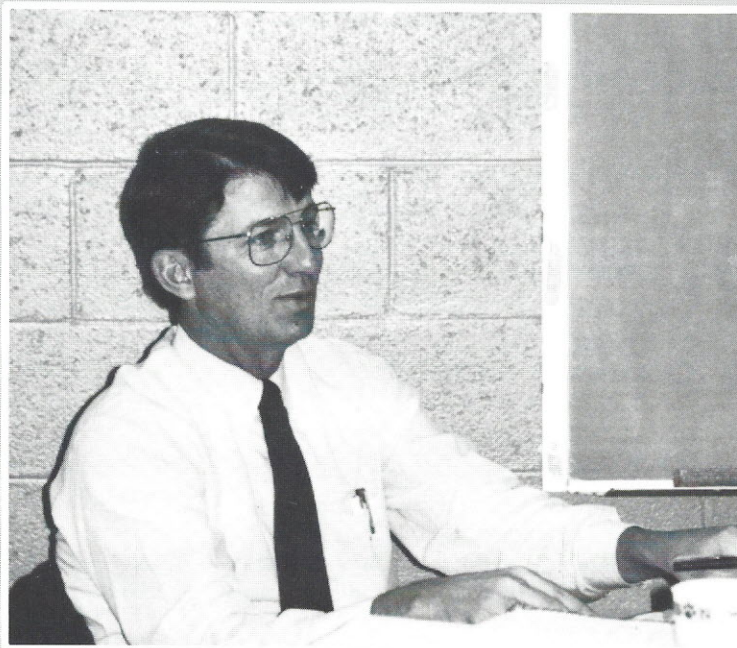

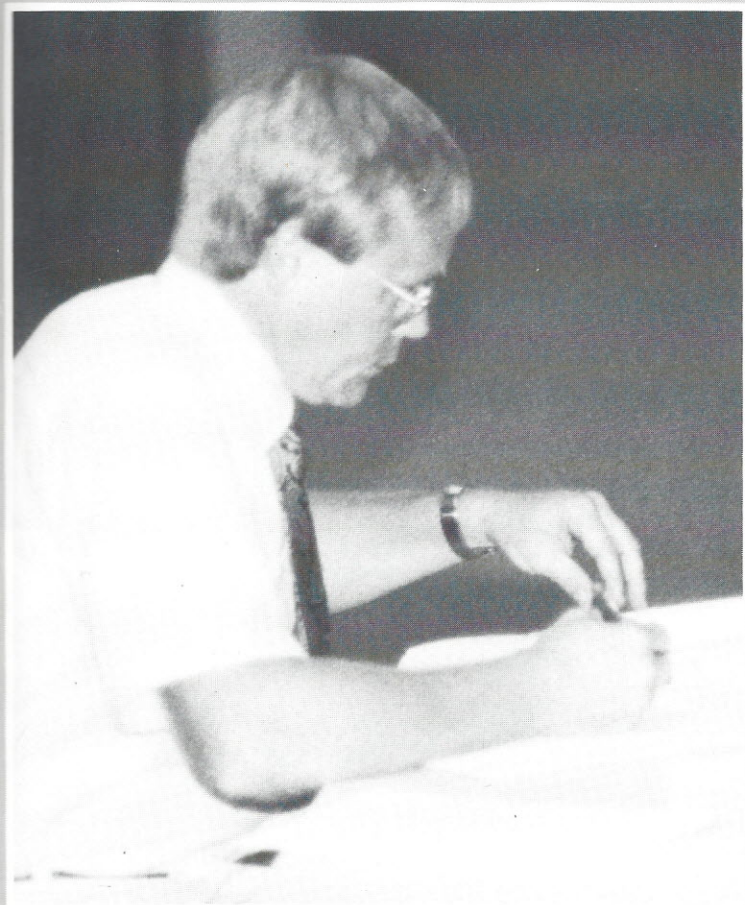

Mr. Carroll Taylor — Heading up the entire RWA "gang" for the 14th year, Mr. Taylor's job as headmaster is demanding. He serves as counselor, coach, administrator, and friend. He has a B.S. degree from Erskine College and a M.Ed. from Appalachian State University.

R.W.A.'s Board of Directors — Seated L to R: Mark Mills, Kathleen Harwood, Barbara Martin, Robert Caldwell, Jr. — Standing L to R: William Coleman, Philip Wilkins, Tad Doty, Tommy Mann, Bruce Baker. Not Pictured: Boe Campbell, Judy Branham, John Moody.

Mr. Mike Robinson — Coach Robinson hails from Methodist College with a B.A. degree. In addition to his teaching duties in the high school history dept., he serves as Athletic Director, assistant varsity football coach, and boys' basketball coach.

Mr. Sam Copeland — On staff for his second year, Coach Copeland graduated from Clemson University with a degree in civil engineering. He heads up the high school math and chemistry while also coaching J.V. football, varsity football, and girls' basketball.

Mrs. Margaret DuBard — Chaos would run rampant in our library if it were not for Mrs. DuBard. We are fortunate to have had her here for 13 years lending assistance to students of all ages.

Mr. David Porter — With nine years at RWA under his belt, Coach Porter teaches economics, government, driver's ed, business math, and physical ed. Along with his teaching responsibilities, he is the head varsity football coach. We appreciate his dedication.

Mrs. Renee' Allen — A graduate of USC at Coastal, she teaches middle & upper school sciences. This is her 3rd year with us, and we salute her efforts along with her willingness to help out in many other areas.

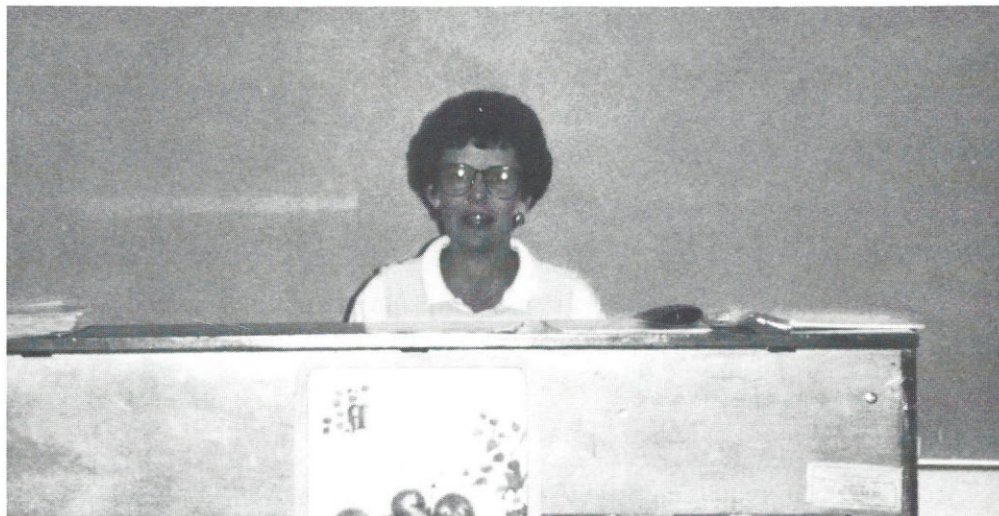

Mrs. Joy Taylor — Hails from Duke University and has been on the staff at RWA for 14 years. Having taught a variety of subjects, '91-'92 finds her instructing middle school math, computer science, and Algebra I. She also finds time to coach tennis and sponsor the Student Council and Sr. Beta Club.

Mrs. Selwyn Turner — English! Who can think of English at RWA and not think of Mrs. Turner? How grateful we are to have her! A graduate of Columbia College, she teaches high school English and literature.

Miss Ashley Macfie — Her first year at Richard Winn. Miss Macfie teaches French and creative writing while also giving the lower school grades a bit of French instruction. Très bien, Mademoiselle Macfie.

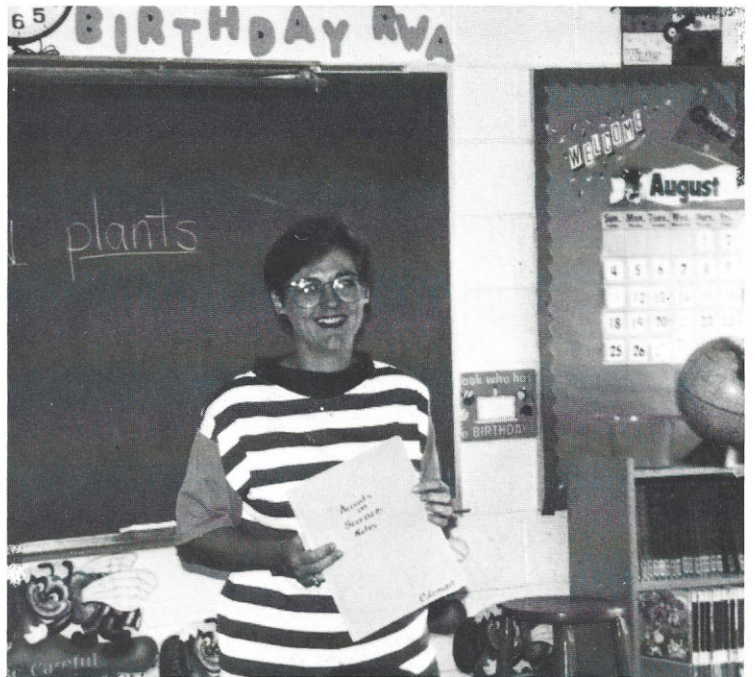

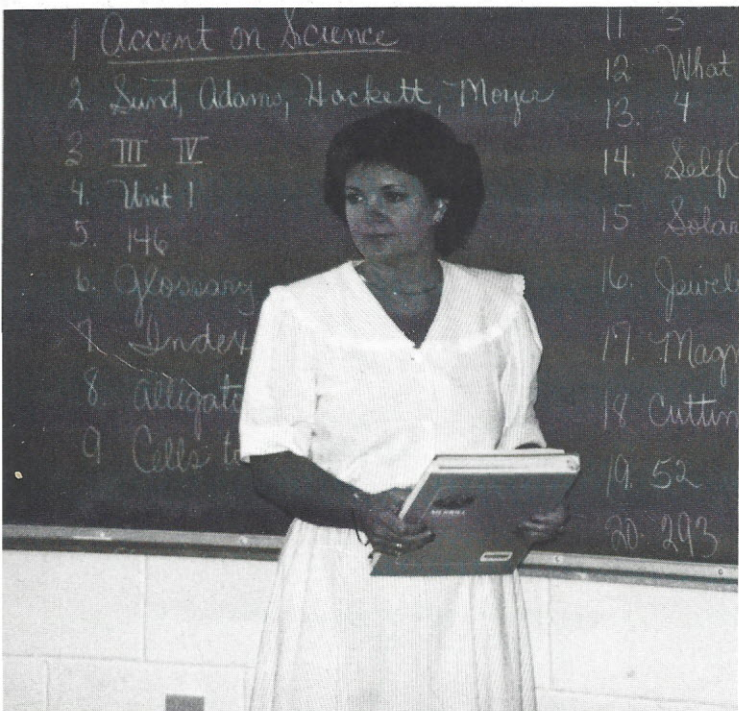

Mrs. Ellen Nicholson — Seventeen years, what a commitment! Thank you! "Miss Nic", a grad of Converse College, has given of her talents to produce a music program "second to none". In addition to her chorus classes, she teaches middle school language arts and fine arts and sponsors the Jr. Betas.

Martha Ladd — Instructing middle school subjects, Mrs. Ladd also is responsible for introducing art and computer to our lower school students. Now in her 14th year here, Martha, an RWA alumni herself, holds a B.A. degree from Converse College.

Mrs. Beth Harwell — Mrs. Harwell is the 5th grade instructor. She is a graduate of USC and has been associated with Richard Winn for six years. Mrs. Harwell describes this year's class of 25 as being very active and as great communicators.

Mrs. Lou Ann Coleman — Now in her 2nd year at Richard Winn, Mrs. Coleman teaches 3rd grade. An alumni of RWA, she earned her B.A. degree from Columbia College. She also serves as co-adviser for the '92 Aerie.

Miss Hellen Rexrode — A grad of Columbia Bible College, she serves as the 4th grade teacher. Hellen furthered her education by earning a M.Ed. from USC. This is her 9th year with RWA.

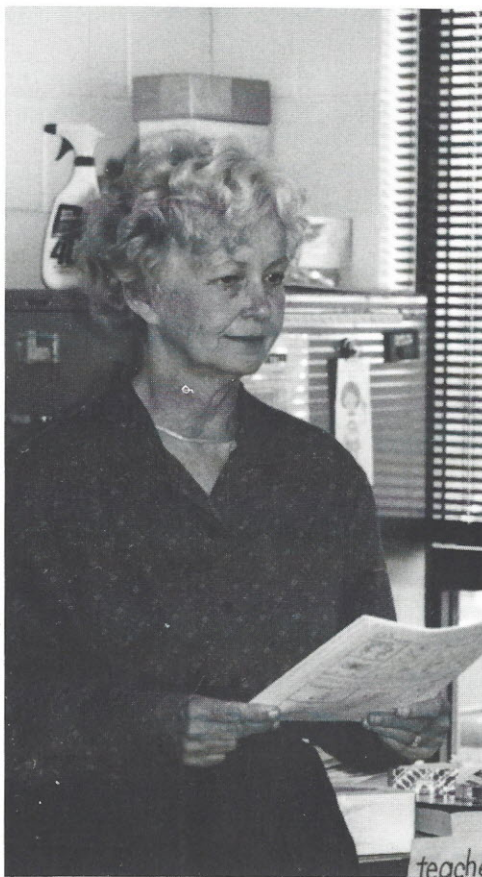

Martha Martin — Mrs. Martin is challenged daily by her class of 3 & 4 year olds. Mrs. Martin attended Winthrop Coll., receiving B.A. and M.Ed. degrees. She makes kindergarten FUN!

Betty Harden — Eager little first graders await Mrs. Harden's instructions for the day. With a B.S. from Winthrop College, she patiently guides our "little ones" through this very important year.

Mary Jane Wright — Mrs. Wright says it was 21 years ago when she joined the RWA family. What dedication! A graduate of Erskine College, she enjoys teaching second graders.

Pam Rambo — Patience is a virtue needed to undertake a class of five yr. olds. Mrs. Rambo has a degree from Erskine College. Upon leaving Mrs. Rambo's class, this bunch will be prepared for the first grade!

Penny Renwick — An alumnae of RWA, she is in her 4th year of teaching. Having received her B.A. degree from Salem College, she is pursuing a graduate degree from USC. "Miss Penny" undertakes many tasks at RWA while also heading up the learning disability dept. She is a valuable asset!

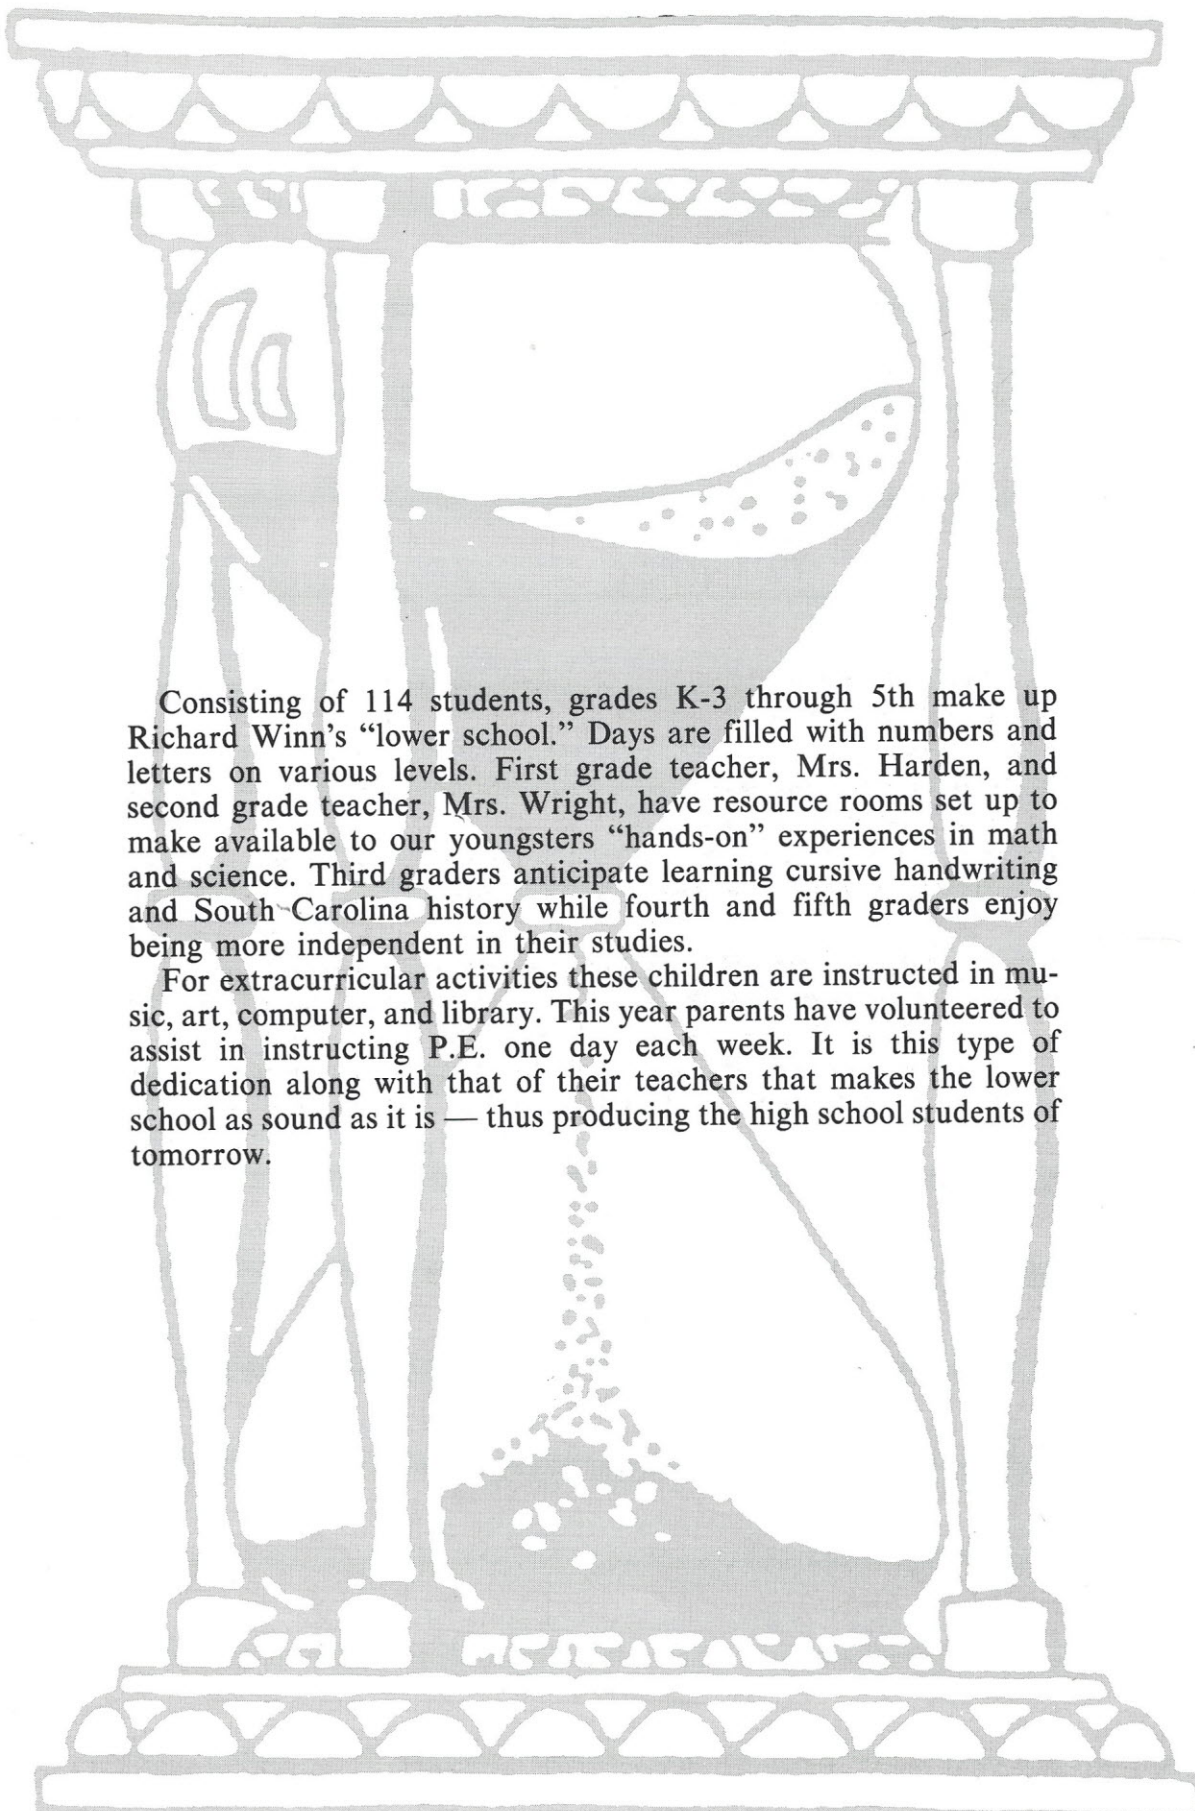

Perry Anne Renwick — Substitution at its finest! Mrs. Renwick filled in for Mrs. Harwell at the beginning of the '91-'92 school year. RWA is fortunate to have caring people such as Mrs. Renwick to fill the "gaps" when needed.

Beverly Fetner & Judy Berry — Food is the name of their game. These two ladies accomodate the RWA gang in the cafeteria on a daily basis. What a job!!

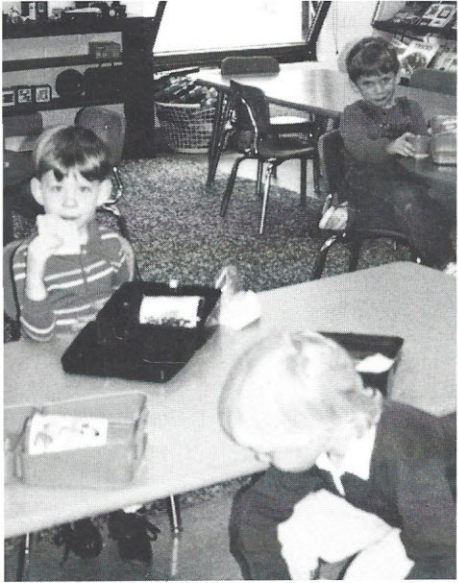

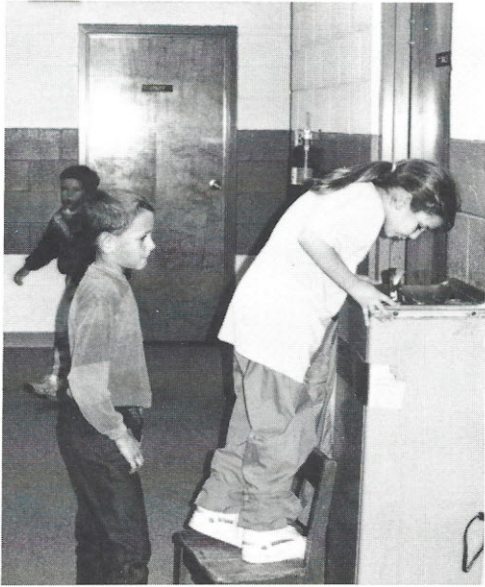

Laurens Livings — Leading the kindergarten through 3rd grade music classes is Mrs. Livings. She acquired a B.A. in music from USC and a MA in music from UNC. In her 2nd year at RWA, Mrs. Livings enjoys the enthusiasm of her young students.

Consisting of 114 students, grades K-3 through 5th make up Richard Winn's "lower school." Days are filled with numbers and letters on various levels. First grade teacher, Mrs. Harden, and second grade teacher, Mrs. Wright, have resource rooms set up to make available to our youngsters "hands-on" experiences in math and science. Third graders anticipate learning cursive handwriting and South Carolina history while fourth and fifth graders enjoy being more independent in their studies.

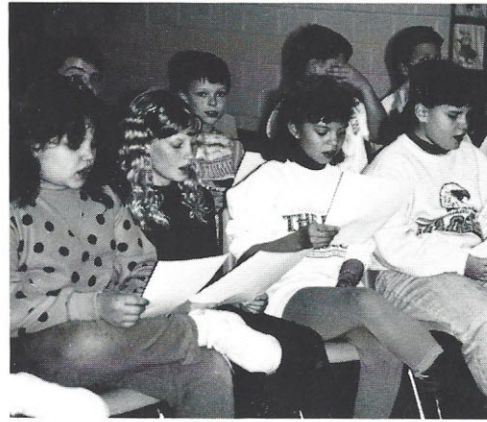

For extracurricular activities these children are instructed in music, art, computer, and library. This year parents have volunteered to assist in instructing P.E. one day each week. It is this type of dedication along with that of their teachers that makes the lower school as sound as it is — thus producing the high school students of tomorrow.

When It Comes to 5th Grade

Field Day was sponsored by the P.T.O. again this year. The May 15th event went off without a hitch with the 5th grade capturing most of the blue ribbons. Beginning at 9:00 A.M. grades 1 - 5 participated in various relays and races. Here Brent Branham and Michael Anderson begin a dash to the finish line.

Everyone looks forward to lunch! Ch down!

When asked what was outstanding about this class, Mrs. Harwell commented that they are "very active and have a love to communicate with each other." Could that mean they like to talk? Whatever the case, the 5th graders are a super group of kids with a lot of potential in the classroom and in the sports arena. Almost everyone enjoys playing some kind of sport. Look for them to be our future Eagle standouts!

The 4th grade consists of 18 boys and girls with one new student, Ryan Klinger. These children have enjoyed the volunteer efforts of Mrs. Wilkins, Mrs. Patrick, and Mrs. Varnadore who have alternated leading P.E. classes.

A new experience for this group was chorus with Mrs. Nicholson. They, along with the 5th grade, performed a special Christmas program and a spring program featuring songs from movies.

GROWING UP . . .

The Class of 2001 had a very exciting and interesting year. Field trips included a trip to the Township Auditorium to see Charlotte's Web, the Governor's Mansion, the State House, the Confederate Memorial Relic Room, and Mrs. Coleman's dairy farm. A highlight of the year was having the governor and his wife sign the South Carolina quilt made by the class. Ending up the year, the class enjoyed a pool and pizza party at the Feaster's home.

MOVING TOWARD THE TOP

Mrs. Wright's second grade class has been a very active group this past year. They have been on many exciting field trips including going to Adluh Flour Co., seeing the ballet of "Frosty the Snowman", and visiting the Governor's Mansion, the McKissick and State museums, and Discovery Place. Many class members participated in leading the Pledge of Allegiance over the intercom.

TOP NOTCH BUNCH

The first graders were an active and extraordinary bunch. They were granted \$234 for Reading Rainbow tapes to add to our school library. The "posse" was an organized group of first graders who picked up trash on the playground. The class was recognized for winning several awards this year. In addition to winning the hall decorating during spirit week, this same enthusiastic group also won a pizza party for the largest PTO membership. Mrs. Harden kept the group "on the go" — taking lots of field trips.

At Richard Winn Academy, the athletic program is really unique. Everyone has an opportunity to participate. No one is “just another face in the crowd”. Students here have more opportunities than those at larger schools. They are also encouraged to go out for more than one sport. No one is denied the all-important experience of being part of a team. That team spirit has accomplished much this year. In basketball, the varsity girls reached the playoffs. The varsity football squad also went to the playoffs. Our Senior-led baseball team reached the final round of playoffs and brought the runner-up title back to RWA. Whether we win or lose, RWA always comes out on TOP!

The Spirit of RWA

1991 was a busy year for the varsity football cheerleaders. One of their many activities was the annual summer Jr. Cheerleading Camp. Girls in grades K-4 through 6 participated in this event and cheered in the Booster Club Pep Rally. During Homecoming the varsity cheerleaders boosted spirits with special dress-up days and competition between classes. They topped off the season with an unexpected trip to Lena, S.C. on the way to Estill.

With 1991 behind them, they look forward to another busy year and an exciting football season.

Coming off an undefeated previous season, the 1991 junior varsity Eagles had "big shoes" to fill. Despite the loss of key players to the varsity squad, this year's team did a respectable job and ended the season with a record of 3 wins and 3 losses. Coached by Sam Copeland and assisted by Bill Melton, Billy Carter, and Richard Hodges, this group of young men gained much valuable experience and will be a "powerhouse" to be reckoned with in future seasons.

All of the fifteen member squad contributed — whether on the practice field or in a clutch game situation. Due to the team's small number, most of the boys played both ways — offense and defense — with little or no rest until the final horn sounded. Much credit and recognition should be given to this group for a "job well done" in representing RWA.

THE 1991 JV FOOTBALL TEAM — Seated: Willy Pope (mgr.), Patrick Wagaman, Logan Doty, Brady Branham, Martin Timms, Keith Carter (mgr.). Kneeling: Joseph Cope, Jason Robinson, Ken Hornsby, Jonathan Myers, Ben Porter, Paul Melton, Luke Godwin. Standing: Sam Copeland (head coach), Richard Hodges (asst. coach), Joe Renwick, Charlie Hodges, Jared Lott, David Young, Bill Melton (asst. coach), Billy Carter (asst. coach).

Quarterback Paul Melton calls out the signals as the line and backfield anticipate the ball in play and executing the next play.

Coach Copeland gives Charlie Hodges a personal pep talk and instructions for the rest of the team on the field.

Luke Godwin picks up ground after receiving a pass against Wardlaw. The Eagles won this game by a narrow margin of 2 points.

Ken Hornsby turns to receive Paul's pass. This twosome did their share of racking up offensive yardage.

Coached by Mrs. Joy Taylor, the Varsity Girls' Tennis Team had an exciting 1991 season. However, for a few girls, it turned into a year round activity. McCullough Caldwell, Sara Boyd Arnette, and Frances Brown participated in several state-wide tournaments. Other team members dedicated many hours over the summer to improving their games. The hard work paid off as the girls ended the season in the state quarter finals.

GIRLS TIE FOR CONFERENCE CHAMPS

Although many games were low scoring ones, the J.V. girls had a very exciting and action-packed year playing thirteen games in all. They finished the '91-'92 effort with a winning record of 10 wins and 3 loses. More impressively, the Jr. Lady Eagles lost only one of their six conference games.

To round out the season, the J.V. squad

tied for the conference championship for the second consecutive year.

Led by Coach Sam Copeland and assisted by Ann Marie Burley, this young group of athletes gained the experience and instruction needed to fill the varsity slots of tomorrow. We'll be watching!

Congratulations on a successful year!

Elaine Mann leads her team down court after getting the rebound from a failed attempt by the opponent.

During a game against the Knights of King, guard Edie Pope works the ball to the "inside" to Allison Branham for an easy two points.

Quite often it's those times at the line that decide who wins the game. Here, Katie recalls all of the "particulars" of shooting a free throw.

Whose possession? What ever happened to the jump ball? Being the aggressive player she is, Edie fights for possession of the ball. Did she get it?

Ella receives some quick instruction from Coach Copeland to make the game plan run smoothly.

JV Boys Gain Experience

FUNDAMENTAL SKILLS IMPROVE

The 1991-92 J.V. boys basketball team underwent a training year and gained much valuable experience as most of the players saw lots of game action. While these players not only represented RWA as our J.V. squad, they also doubled as our "B" team. Under the direction of Head Coach Mike Robinson, Marion Fetner, and Rion Fetner, these 11 young men were dedicated to the game of basketball and improvement. While the team was often outsized and pitted against older and more experienced JV's, they came on strong at the end, winning 4 of their last 8 games. Our boys proudly represented our school and "played their hearts out." We look forward to more excitement from them in the years that follow.

Traveling "B" Teams

This year RWA had "B" teams which traveled around the state to compete with other schools. The girls' team, coached by Sam Copeland, consisted of 6th & 7th graders who were interested in bettering their game in hopes of

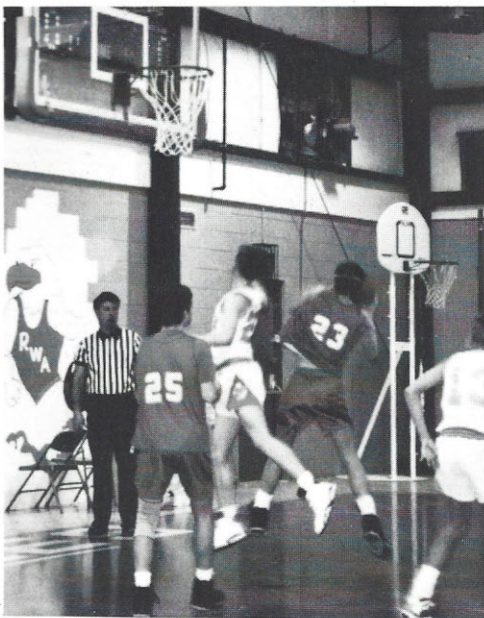

being promoted to the J.V. level next year. The boys' team, coached by Mike Robinson, was made up of 6th-9th graders from the J.V. squad who simply wanted more playing experience. The season proved to be very successful.

 Kneeling: Dana Dove, Beth Mann, Carrie Harwell, Jennifer Weed, Mary Jane Atighechian, Priscilla Rambo. Standing: Haley Allen, Reagan Lewis, Allyson Porter, Anne Hollis, Julie Allen, Ashlee Spires, Jennifer Brice.

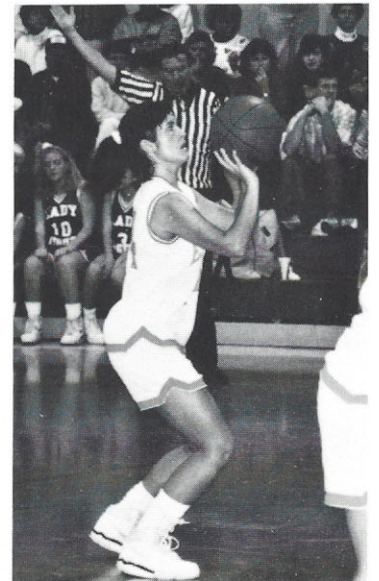

Sophomore Jennifer Weed finds her spot to add to the Lady Eagles' score. Here she contributes from the three point line.

Julie Allen's height is definitely an asset to the squad. She assists the team in rebounding as well as scoring.

Priscilla Rambo, who serves the team as point guard, steals the ball and heads for the home basket.

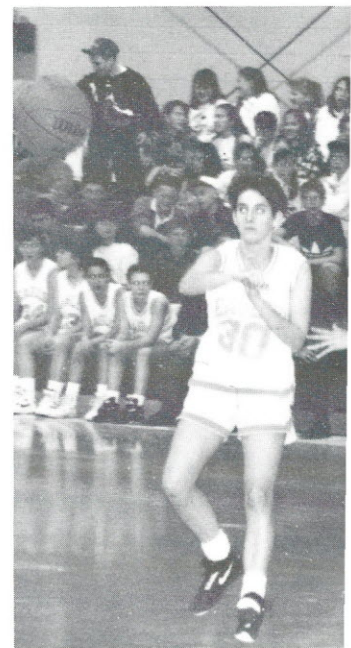

Tenth grader Allyson Porter uses perfect form at the free throw line. It only takes one point to decide who wins.

Ashlee Spires attempts to work the ball into the basket for a sure two points.

REBOUND! REBOUND! REBOUND! REBOUND! REBOUND!

The Varsity Girls' Basketball squad had a very successful and exciting year! At the end of the regular season the Lady Eagles found themselves tied for the conference title with King Academy. After conference and state playoffs, the team concluded the season with a very respectable record of 17 wins and 7 losses. Having no seniors, everyone is looking forward to next year!

RWA sophomore Matt Renwick muscles his way inside for a better percentage shot. The Eagles jumped off to a big lead over R.E. Lee in the first quarter only to relinquish the lead and game later.

Senior-led Team Captures Hearts of Fans

EVERY BASKET COUNTS!

The four seniors, Jack Livings, Michael Dickerson, Ryan Bond, and Cal Caldwell, dominated play on the '91-'92 varsity squad. Led by All-State and North All-Star player Jack Livings, this year's team played hard and competitive. Despite the fact that they did not have a winning record, the boys did have success through experience and teamwork. The team consisted of

10 players who lacked consistency in play at times, but, when their game was on, were "untouchable".

With Michael Dickerson directing the offense as point guard, the team played with determination and desire. Despite the score at the end of many games, the Eagles always came out on top in the hearts of the loyal fans who followed them.

Ryan Bond, senior guard, shows extreme effort as he attempts a jump shot while being closely checked by a Catawba opponent.

Matt and Jack work their way toward the basket in anticipation of the rebound. What goes up must come down — right, boys?

Tennis Team Experiences Rebuilding Year

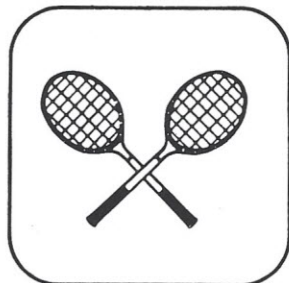

Tennis was definitely a rebuilding year with all nine members of the team being underclassmen. The number one player, Logan Doty, was a 7th grader. Jason Robinson, a 9th grader, played the number two position. Palmer Nicholson, grade 10, and Charlie Hodges, grade 8, alternated at the number three spot. Jason Reynolds, Luke Godwin, David Young, Chris Spires, and Robert Doty rounded out the team.

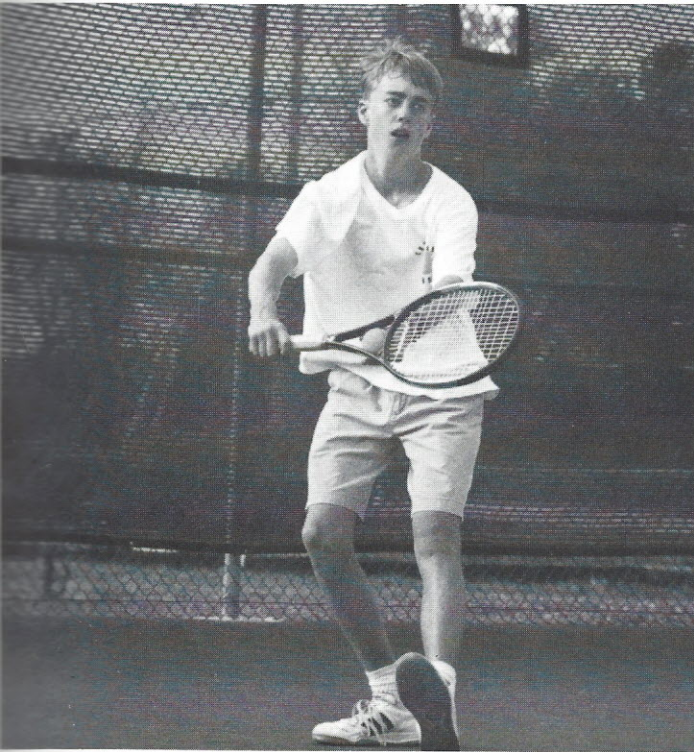

With Mr. Carroll Taylor to guide them as coach, these young men worked very hard to improve their tennis skills throughout the season. The team won the conference by default but ended the season with a loss to Avalon in the play-offs.

TEAM CAPTURES STATE RUNNER-UP TITLE

Who will ever forget the baseball season of '92? It was the one we thought would never end but did with a State Runners-Up trophy.

Coach Todd Robinson, assisted by Chris Reynolds and David Albert, worked the team hard on batting, fielding, and physical strength which played major roles in getting them to the playoffs and having 2 players named to All State: Jef Raley and Chris Bass. Standout Jef Raley lead the Eagles with homeruns and intentional walks. Team members Cal Caldwell, Chris Bass, Jef Raley, and John LeGrand contributed to the pitching efforts.

Who will ever forget the baseball team at the Athletic Banquet? Everyone was fretting that the team wouldn't make it to the banquet, but they did. Tired, sweaty, dust-covered, and in uniform, the team made it after celebrating an extra inning win at home against Mimms in the playoffs. After defeating Holly Hill in the semi-final round, the championship round took them down the road to Dillon to play Avalon. Despite the outstanding efforts of our Eagle '9', Avalon captured the championship in extra innings.

The '92 baseball season was a special and memorable era in the life of these young men and a big accomplishment of which to be proud!

Senior Cal Caldwell delivers a pitch right across the plate during a home game. Cal also served the team as second baseman when he wasn't on the mound.

Trying to advance to second, Ryan Bond has to return to first base. Did he make it? Safe or out? You make the call.

After the championship game with Avalon, Coach Todd Robinson accepts the State Runner-Up trophy on behalf of the RWA team.

The team celebrates with Cal as he crosses the plate and adds a run to insure a victory against Holly Hill.

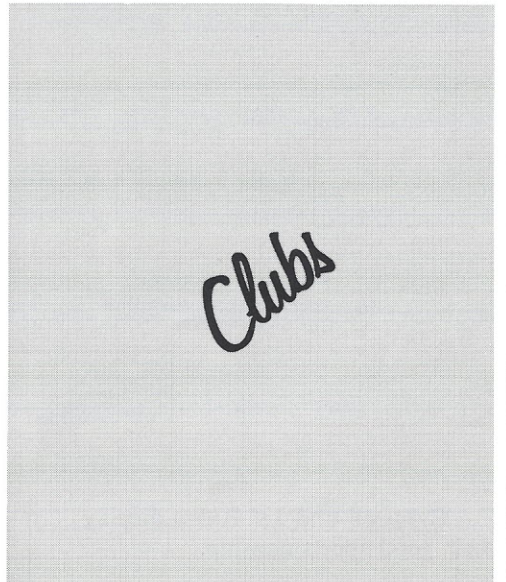

While Michael Dickerson is on third, Coach Robinson gives him some pointers on what happens if . . .

Third baseman Brent Kelly covers his base well as the Long Cane opponent tries to invade his territory.

With so many clubs and activities at Richard Winn Academy, keeping busy is easy! The Junior and Senior Beta Clubs recognize our honor students. The Fellowship of Christian Athletes is open to anyone, while the Block R Club acknowledges our athletes who have lettered in at least one sport. The Middle and High school choruses participate in the many programs throughout the year. Student Council also stays active year-round. Other organizations, such as the Aerie staff, give students opportunities to learn new skills. The school year is also packed with activities and events. The beauty contest gives many a chance to be in the spotlight. The Junior-Senior prom is one of the most anticipated events all year. Opportunities abound at our school, and active students keep the spirit of Richard Winn alive.

Homecoming week was action-packed!! Spirit Week did the job of building the excitement for Friday's game! The game started off with a bang due to the pre-game fireworks display put on by the Senior class. The highlight of the evening was the homecoming court and the crowning of the 1991 Queen and Sweetheart. Clusters of balloons added color to the festivities.

Donna Faulk, Christie Davis, Matt & Jo Renwick, & Michael Dickerson were 5 of the "tackiest" people during Spirit Week.

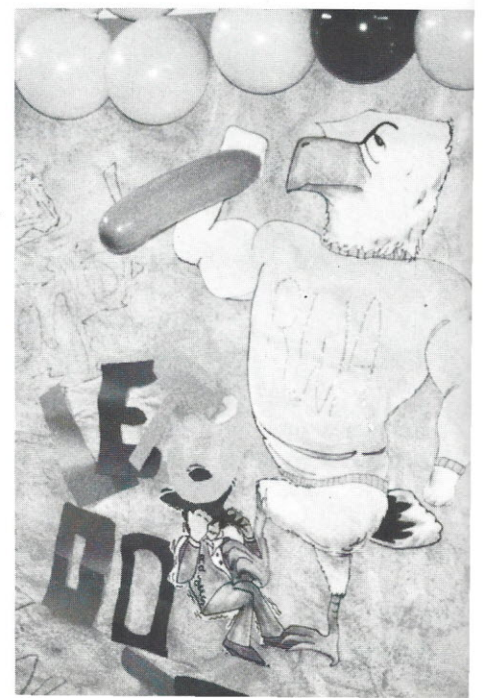

During the pep rally Brent Kelly was a hero as he was crowned Homecoming King.

It was a group effort to be "tacky"! "Tacky Day" was found to be the favorite "dress-up" day.

The Sophomore class, as did all classes, worked extremely hard on their wall decorations for Spirit Week.

HARVEST FESTIVAL: "A Good Thing Going!"

RWA's annual Harvest Festival is definitely a good thing going. Sponsored by the PTO, it is the major fundraiser for the school.

Some favorite activities included the dunking, tropical drink, & all-new hairdo booths. Highlighting the afternoon was the crowning of

Ryan Douglass & Ellison Estes as HF King & Queen.

Miss RWA 1992

MARY JANE ATIGHECHIAN
Crowned Pageant Winner

Under the leadership of class sponsor, Mrs. Renee Allen, the seniors put together a spectacular evening of pageantry and entertainment. Twenty-nine girls from grades eight through twelve participated in this event. Class president, Jack Livings, welcomed everyone and introduced Mrs. Karen Sherrill of Statesville, N.C., as emcee for the pageant. Mrs. Sherrill's Dance Arts Troupe performed as part of the night's entertainment. Judges Tami Allen, Jim Sherrill, and Karen Sims had a difficult time choosing one winner from the many contestants. Mrs. Susan Young tallied the scores. As always, Mrs. Nicholson and her high school boys' chorus entertained the audience during intermission. Climaxing the evening's excitement, Miss RWA 1991, Ashlee Spires, relinquished the crown to Mary Jane Atighechian. The "Love for All Seasons" pageant was truly a night worth remembering.

Mary Jane poses at the end of the ramp as the newly crowned Miss RWA.

Stacey, Donna, and Reagan excitedly greet and congratulate Mary Jane. Your heart can stop racing now, Mary Jane.

The participants and audience applaud as Ashlee crowns Mary Jane.

PTO-SPONSORED TALENT SHOW AND FIELD DAY

This year the PTO sponsored the 3rd annual talent show. There were 14 different acts, ranging from dancing to joke-telling. The winners were: 1st Place — Maribeth Coleman, 2nd Place — Russ Pearson & Mac Caldwell, 3rd Place — Joshua Allen & Marion Sprott.

Grades K-3,4 through 9 enjoyed Field Day on May 15th. Everyone participated, including teachers. The tug-of-war and the teachers' egg toss were the highlights of the day. Winners were presented ribbons on Awards Day. The fifth and ninth grades won the most points and were rewarded with a pizza party.

The Jr. Class & the Aerie staff sponsored RWA's first Prom Promise campaign. Our local celebrities took a well-deserved break from skit rehearsal.

Caroline Jones, Allyson Porter, and Carrie Harwell received a special thanks from the Class of '93 for being servers at the prom.

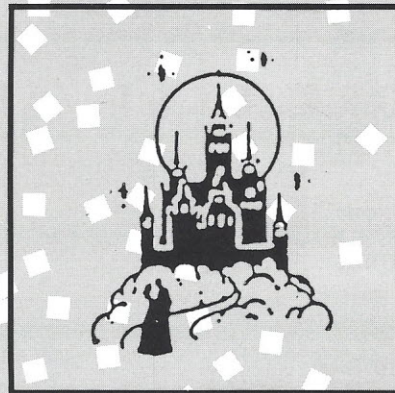

Jamie Cooper and Allison Branham certainly seem happy to be at the Prom as they pose for camera.

Mr. Larry Allen finally got to show off his new electric slide techniques.

Ashlee and Cathy Spires and Ryan Bond take time out from dancing to share a good joke.

April 16, 1992, proved to be a huge success for the Class of '93 and an experience that will be remembered by all who attended. Everyone enjoyed dancing the night away to songs that ranged from country to classic oldies. The Jrs. carried out the Robin Hood theme by turning the gym into a medieval castle. Despite "Fire Marshal Bill", Prom '92 turned out to be a very special evening!

Cal Caldwell and his date, Jennifer Watkins, share the last dance.

A time for celebration ... !

Valedictorian Jane Blair Rabb charged her class with "The Choice is Yours."

Cal Caldwell lightened the mood with his humorous observations of classmates.

Congratulations Class of '92!

Richard Winn Academy graduated its 25th group of students on May 25, 1992. The class, consisting of sixteen, was small in number but tremendous on accomplishments. This class has collectively acquired more than \$200,000 in scholarships, grants, etc.

We'll miss them, but we challenge them to remain true to their alma mater. **BEST OF EVERYTHING!**

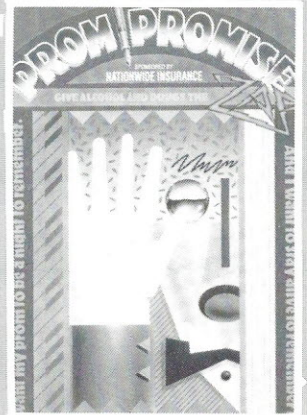

Mrs. Cathy Spires leads group in applause after announcement.

Mrs. Ladd, Mrs. Spires, & Mrs. Coleman accept \$3000 check to be divided between the Aerie & the Juniors.

GRAND CHAMPS!

WNOK Boom Box entertained everyone.

RWA was the Lucky One! Our video, along with 100% signed pledges not to drink and drive on Prom night, won a whopping \$3000 cash award and a camcorder. Each signee even received a Prom Promise T-shirt — what FUN!

Students and adults enjoyed the music provided by WNOK and D.J. "Thrill" Mills.

Music Plays Big

Ms. Laurens Livings instructed K-3,4 through 3rd grade music. All classes participated in the Christmas program held in the gym, but each class presented a spring program in the Fine Arts room. It was a year with a good variety of musical performances.

J.T. Crossland and Willy Pope "ham it up".

Twenty-three kindergarteners presented a program on God's wonderful world.

Mrs. Wright's 2nd grade promoted patriotism singing songs from past wars and branches of service.

High school chorus presentations would not be the same without senior Al Lewis's entertaining ways.

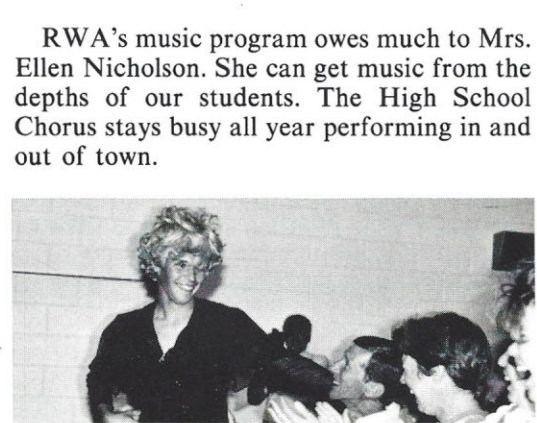

No Christmas program is complete without a rendition of "Rudolph the Red-Nosed Reindeer". Grades 1 - 3 do a good job of getting the crowd into the holiday mood.

MIDDLE SCHOOL CHORUS — 1st row: B. Gaddy, S. Martin, Mi. McGinnis, K. Brice, B. Davenport, M. Lutz, L. Bonds, M. Hollis, R. Shedd, R. Doty, Allen. 2nd row: J. Robinson, Ma. McGinnis, K. Ragsdale, M. Middle schoolers get the crowd "rocking" with Christmas tunes.

"Pretty Woman" visited the spring program.

Multi-talented Caroline Jones "signs" during a religious selection and impressed the audience.

Chorus boys "wooded" the crowd with Oldies but Goodies at the Beauty Contest in April.

HIGH SCHOOL CHORUS — 1st row: B. Mann, P. Rambo, C. Bonds, P. Renwick, J. Brice, J. Rabb, M. Moody, M. Hodges. 2nd row: C. Harwell, C. Jones, C. Stewart, J. Weed, R. Lewis, A. Porter, A. Spires, C. FCA attended FCA Day at Clemson University on Feb. 1. Some 21 student athletes from RWA took part in the day's activities which included competition in the "Dog Patch Olympics" and attendance at a Clemson-USC basketball game.

Spirits run high in RWA sports. Fall football begins the year and leads right into basketball where Eagle fans rock the gym with excitement. Baseball and softball keep spirits going strong in the spring.

Top Notch Students

Maintaining a 90 overall average is a remarkable accomplishment, but these students in grades 6 - 8 have done it and have been rewarded. The Jr. Betas offered to assist the lower & middle school teachers as their main service project. Mrs. Ellen Nicholson advised the group.

JUNIOR BETA CLUB: 1st row: Edie Pope — sec., Sara Boyd Arnette — v. pres., McCullough Caldwell — treas., Gini Startsman — president. 2nd row: Bryant Gaddy, Mandi McGinnis, Jen Robinson, Elaine Mann, Logan Doty, Missy McGinnis. 3rd row: Susan Martin, Lindsey Bonds, Chris Spires, Marion Sprott, Leah Campbell, Krystal Weed, Katie Harwell, Jan Faile, Haley Ray. 4th row: Ben Hinnant, Byron Freeman, Martha Stevenson, Luke Godwin, Charlie Hodges, Ken Hornsby, Bob Harkins, Ben Porter, Frances Brown. Senior Betas sponsor the Academic Banquet, a blood drive, and Student of the Month recognition. At this time the Gold Flag is flown in honor of those selected. Senior Betas, too, must achieve an overall average of 90 or better to remain in this national honorary organization. Mrs. Taylor served as their adviser.

PTO and Booster Club: ACTIVE SUPPORT GROUPS

The Parent Teacher Organization and the Booster Club play important roles in the success of Richard Winn. The Harvest Festival, the Basketball Classic, Manners Day, and the Academy's Awards Talent Show are but a few of the many ways the PTO is an active and vital part of our school. The Booster Club does its part by preparing refreshments for athletic events, solely funding all the athletic needs at RWA, and sponsoring the Athletic Banquet in the spring. It would be impossible for RWA to function without the many sacrifices of these dedicated parents and friends.

James Hollis is preparing the delicious Bar-B-Q chicken to served at the Harvest Festival. What a tasty feast!!

Billy Dove's efforts have aided in making our sports program a success. Thanks to ALL who worked during athletic events.

Members of the PTO worked hard on the float for the parade to help RWA have a Merry Christmas.

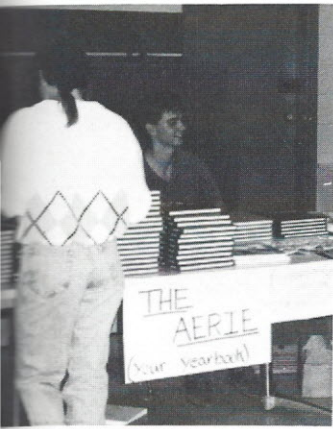

Rebecca Harwood, Ellison Estes, Lewis Frazier, and many other lower school girls cheered at the Basketball Classic.

Mary Gail Douglas always makes the Basketball Classic, sponsored by PTO, a really fun family event.

Aerie Staff & Jr. Academy of Science

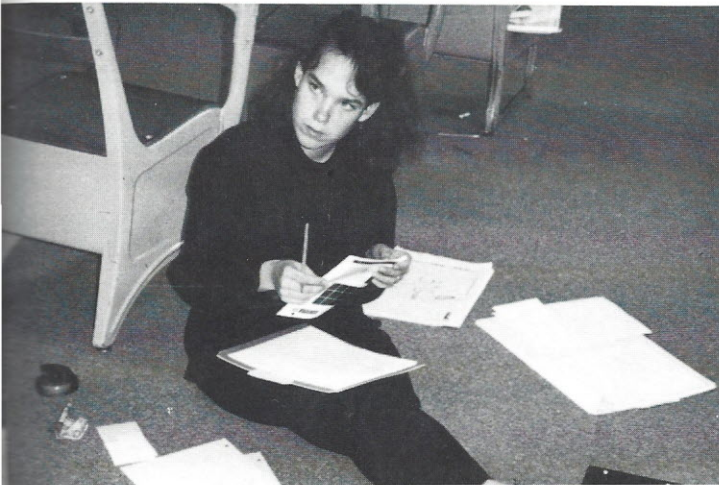

Todd Adams, the editor of the *Aerie*, has devoted much of his personal time to working on this year's book.

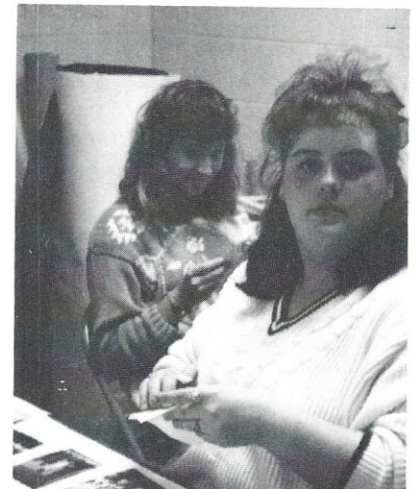

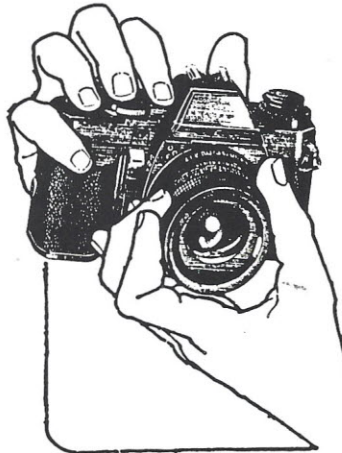

AERIE STAFF: Christie Davis, Allyson Porter, Caroline Jones, Jennifer Brice, Anne Hollis, Michelle Moody, Reagan Lewis, Mary Lee Hodges, Casey Bonds, and Jane Blair Rabb. Not Pictured: Todd Adams and Paige Renwick.

The yearbook staff has worked extra hard this year to create an extraordinary book. Other than the usual ad selling, they have sold old pictures, old annuals, calendars, and spirit buttons and took part in planning the Prom Promise program. Mrs. Ladd and Mrs. Coleman have done an excellent job as advisers.

Paige Renwick was a devoted staff member.

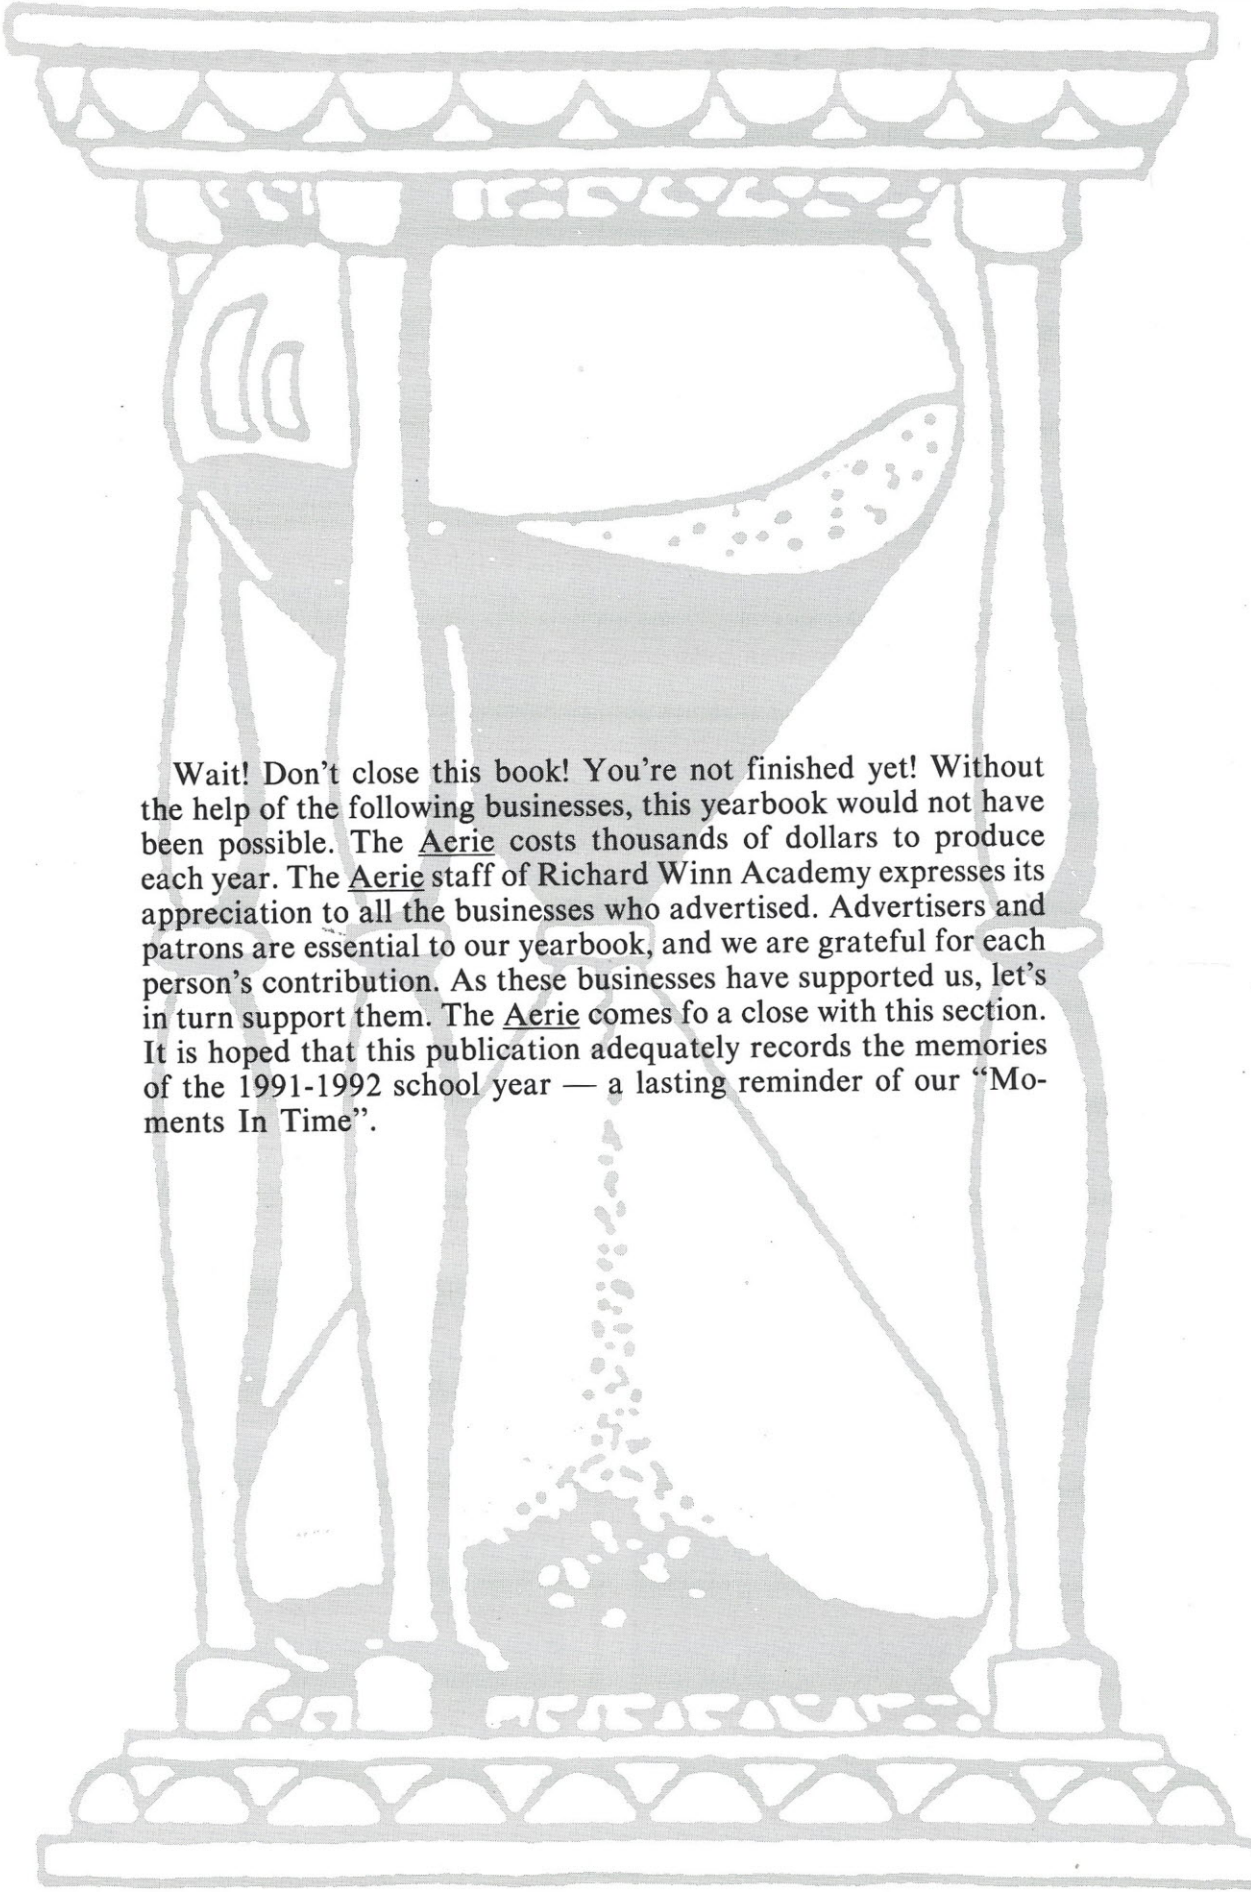

Christie and Anne, two of the more active members of the yearbook staff, are working after school to complete their pages.

Mrs. Allen sponsored the Jr. Academy of Science this year. Some students attended the winter workshop at Greenville Tech. This organization helps the RWA students appreciate science. Also, it encourages those students who wish to pursue a career in the field of science or medicine.

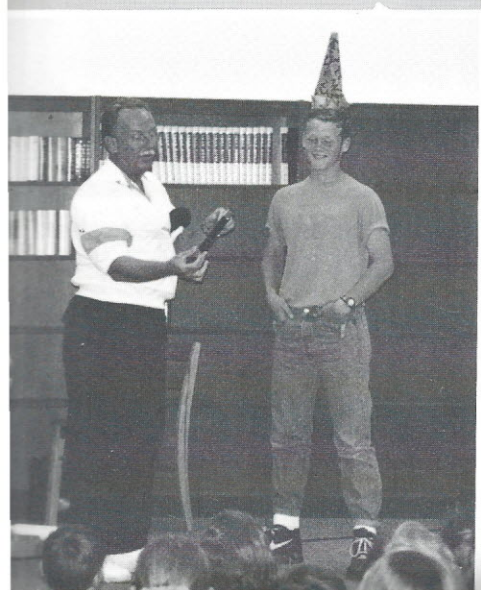

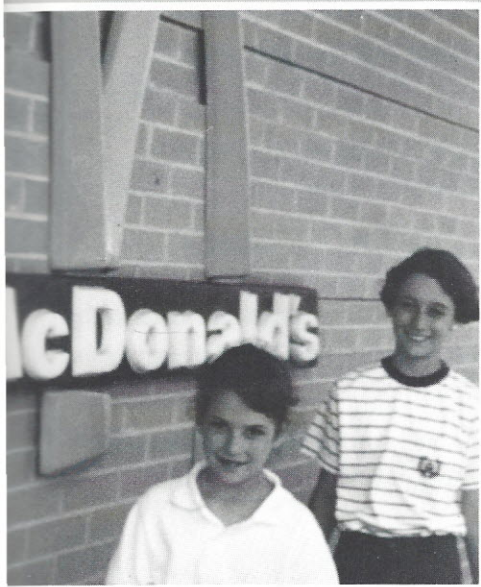

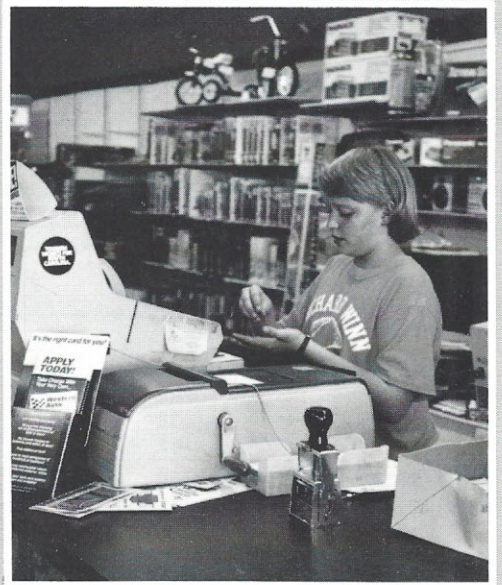

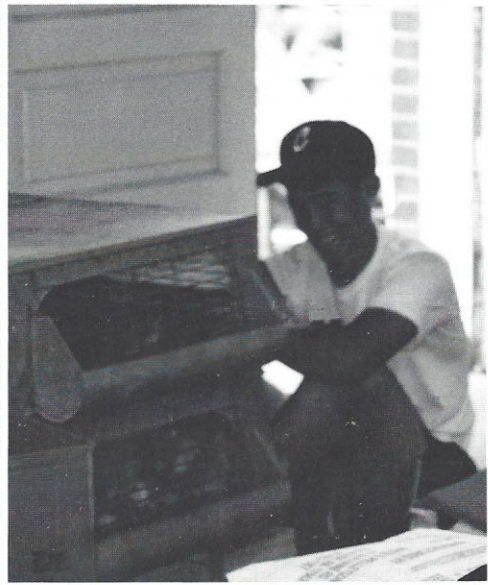

JR. ACADEMY OF SCIENCE — 1st row: Caroline Jones, Nisha Patel, Luke Godwin, Ella LeGrand, Branham, Pattie Klaus. 2nd row: Jennifer Brice, Ashlee Spires, Beth Mann, Jennifer Weed, Palmer, Jason Robinson, John Martin, Scott Adams. 3rd row: Dana Dove, Kerri Weed, Christie Davis, Baker, Allan Martin, Casey Bonds, Allyson Porter, Mary Jane Atighechian. 4th row: Leila Mangum, Driggers, Becky Swearingen, Matt Renwick, Anne Hollis, Jason Reynolds, Charlie Hodges, Donna and Stacey Wright.

Wait! Don't close this book! You're not finished yet! Without the help of the following businesses, this yearbook would not have been possible. The Aerie costs thousands of dollars to produce each year. The Aerie staff of Richard Winn Academy expresses its appreciation to all the businesses who advertised. Advertisers and patrons are essential to our yearbook, and we are grateful for each person's contribution. As these businesses have supported us, let's in turn support them. The Aerie comes fo a close with this section. It is hoped that this publication adequately records the memories of the 1991-1992 school year — a lasting reminder of our "Moments In Time".

HAVE YOU EVER WONDERED??

- Why don't people get goosebumps on their faces?
- Why do dogs walk around in circles before lying down?
- Why is the scoring system in tennis so weird?
- Why do doughnuts have holes?
- Why is Jack the nickname for John?
- Why do clocks run clockwise?
- What does M&M stand for?
- Why is yawning contagious?
- Why do we give apples to teachers?
- Why do hot dogs come ten to a package and hot dog buns come eight to a package?

Congratulations
