

Winning has become a tradition for the Lady Eagles basketball program, and this year's record was no exception. RWA was a dominant conference contender and battled with King for the regular season title. Although the Lady Knights were seeded #1 going into the tournament, our Lady Eagles pulled an upset and captured the conference tournament title. Unfortunately our girls lost to Patrick Henry's team in the first round of the state play-offs. Ashlee Spires and Priscilla Rambo contributed much talent and leadership and will be sorely missed.

WOW!!! WE WON!!! The Lady Eagles huddle together in celebration of their conference tournament victory.

Sophomore Julie Allen proves that concentration and follow through are key elements in making a free throw. Senior teammate Ashlee Spires watches as Julie releases the ball.

Coaches Sam Copeland and Joe Spires take a few moments between girls' games to relax and enjoy action of the J.V. boys' game.
