

Boosters Are Backbone of Athletics

SUPPORT CARRIES TEAMS

Booster members are always ready and willing to lend a helping hand to our teams.

The '92-'93 year of the Booster effort again proved to be a successful one. Without a doubt, this group is dedicated to promoting spirit as well as supporting RWA athletics financially. A great deal of preparation goes into being the host school for athletic events — cooking, cleaning, checking supplies, cutting grass, setting up ... just to name a few.

So much is done behind the scenes, and we are all grateful for this support. Thanks, Boosters!!!

The sidelines are a "front-row" for many of the football fans.

Yuummm! Can't you just about taste one of those good 'ole hamburgers? Heyward Mattox and Joe Wilkes flip burgers during a home football game.
