

A Special Thanks

To the Faculty and Staff of Richard Winn Academy

The 1994 Aerie Staff proudly dedicates this year's Aerie to the faculty and staff of Richard Winn Academy. Their dedication to Richard Winn Academy and its students is evident in the little sacrifices they make each day. Our high standards of excellence in education are upheld by their unwillingness to accept anything less than the best. The incredible talents that they bring with them separate our school from the rest.

To these very special individuals, we give you our heartfelt thanks!
