

Throughout the years you could always count on Carolyn Can-
tey-Stewart and Scott Adams to speak honestly about what
they believe. Because of their truthfulness, they have "cap-
tured" the title for being the MOST HONEST.

Carrie Harwell and Bruce Baker could always be expected to
bring the spirit back into everything they do and "capture" the
old Richard Winn zest of life. For this unique ability the Senior
Class voted them the MOST SCHOOL SPIRITED.
