

In addition to her job as school secretary, Mrs. Susan Young performs a variety of duties. Not only will you find her answering the phone, typing on the computer keyboard, operating the copy machine, and sorting the mail, but also playing nurse to injured or sick students, taking admission money at home athletic events, delivering messages, flowers, and balloons to students, and even working in the cafeteria when it's shorthanded. She is indeed a valuable resource and one for which we are all thankful.

Mr. Carroll Taylor's job as Headmaster does not end at 2:25 P.M. each day during the school year nor when school dismisses in May for summer vacation. His responsibilities are endless! It is his job to see that the day-to-day operations of RWA run smoothly. Mr. Taylor communicates with parents, teachers, students, and supporters while working toward the common goal of improving every aspect of life at RWA. We appreciate his devotion and dedication!
