HOLD ON TIGHT. The JV football team works diligently to move closer to the end zone. Ben Hinnant, the end, was ready to deliver a hard hit to try to put points on the scoreboard while playing King.

UP AND AWAY. #64 Jonathan Collins plants his feet into the ground to deliver a long punt. Jonathan showed that readiness was a key factor for a good kick.

STICKING TOGETHER. The JV Eagles manage to stick together in spite of a long season of rebuilding. The skills that these young men learn while on the JV level will be building blocks later on for an exceptional varsity team.

AND HE'S OFF. Brent Branham, a seventh grader, sprints past tackles to pick up good yardage for the Eagles. As Brent ran down field, he concentrated very hard to put six points on the board.
