

TIME OUT. Coach Adrian Glenn gives his players a chance to catch their breath while he and Coach Fran Miller talk to the team about their game plan.

COME AND GET IT. Brent Branham, a seventh grader, tries to fake out his opponent. An excellent play maker, Brent took care of most of the ball handling skills for the JV Eagles.

CONCENTRATION IS THE KEY. Julian Hamilton, an eighth grader, eyes the basket as he gets set to release a free throw in the home game against Marlboro.

STOP, HAMMER TIME! Philip Wilkins, a sixth grader, tries to outsmart his opponent. Although this was Philip's first year on the JV squad, he gained valuable experience for the seasons to come.
