

# Fun in the Sun

**TUG-O-WAR!** Marie Mincey and Chris Stillwell were two eighth grade participants "pulling their weight" to help bring victory to the even classes. The tug pitted odd vs. even grades. In a re-match, the odd classes were victorious.

1994 FIELD DAY OFFERS SOMETHING FOR EVERYONE.

**WET FUN!** As first grader Wade Coleman piggybacks classmate Brice Porter in a relay, she scoops up a cupful of water to carry to the next bucket. Everyone enjoyed the wet splashes on such a hot day!

**OUTTA SIGHT!** Hurling the softball with all he's got, Joseph Cope and coaches Mike Robinson and David Porter watch to mark the distance. Joseph placed 3rd behind Bob Harkins — 1st and Joe Renwick — 2nd.

**EASY DOES IT!** Mrs. Kim Shepperson watches closely and gets set to receive the return egg toss from partner, Mr. Carroll Taylor. Although the Shepperson-Taylor duo did not win, they did outlast most of the other teachers. Mrs. Shepperson was even brave enough to participate in the Obstacle Course.

**ONE-TWO-THREE . . .** As participants in the Superstar Competition, Michael Anderson and Charlie Hodges perform as many sit-ups as possible in one minute. Charlie won this event and placed second in the overall competition. Mack Miles and Bryant Gaddy tallied the most points in Superstar Competition.
