PICK & CHOOSE. Toni Estes and Norma Branham sell old uniforms and equipment as well as new Eagle logo shirts as a fundraising project at the Harvest Festival.

SERVIN' IT UP. Bonnie Myers is a familiar sight in the canteen. Bonnie, along with other RWA boosters, took turnabout serving food and drinks in the canteen.

THE REAL THING. Richard Hodges works in the canteen serving Coke and other "goodies." Richard wore many "hats" this year — from coach to substitute teacher.
