

Croppers ... grease pencils ... computer viruses ... picas ... vertical shots ... "what do you mean, the copy won't fit?" ... DEADLINES ... I can't believe it's all over. Producing a book that encompasses an entire school year is no easy task, and, as Editor-in-Chief, it is my sincerest wish that this edition of the Aerie is an accurate and original record of the '93-94 school year. This yearbook would not be possible, however, without the help of some very special people. These include Martha Ladd, Scott Adams, Christie Davis, Larry Neely, Betsy Porter, Richard Hodges, Danny Caldwell, and Lou Ann Coleman. It is our desire to "CAPTURE THE GOLD" here at RWA in this book of '93-94 memories.
