MAKING A JOYFUL NOISE. Amber Nichols sings along with her five-year-old classmates as William Ladd and Michael Robinson play their instruments in the 1994 annual Christmas program. Mrs. Livings taught these pre-schoolers the fun of playing in a rhythm band.

QUIET TIME. Mrs. Rambo's and Mrs. Ray's kindergarten classes listen intently and quietly as Hannah Rambo, reigning Miss Fairfield County, patiently tells them a story and illustrates with pictures.

WORKIN' HARD. Michael Robinson and Matthew Shannon show Mrs. Rambo that they know how to work hard. These kindergarten students are trying to finish coloring before it is time for their snack break.
