TACKY IS AS TACKY DOES. A group of fifth graders show their spirit by dressing up for tacky day. The students were able to show their true selves on this day! Tacky Day was part of the Homecoming celebrations that the cheerleaders sponsored.

ANGELS WE HAVE HEARD ON HIGH. Berry Mattox, Wylie Clarkson, Eddie Montgomery, Melissa Walsh, and Nirav Patel strain their vocal cords to reach all of the high notes. The fifth grade was filled with Christmas spirit.
