

The school year was in full swing by the first of September. There were many activities during the entire month. Among these were nine football games and eight tennis matches.

The annual yearbook signing assembly was held the first Friday of the month. In addition, the junior class began the tedious task of raising money for the prom by selling articles at a garage sale and having bake sales at home football games. Also, Mr. Stutts arrived in order to take the seniors final high school pictures.

On September 9 two very interesting Native Americans visited our school. They wore costumes, danced ritual Indian dances, and brought an actual tee pee. All of

the students at R.W.A. were given the opportunity to understand some of the values, traditions, and customs of the Indian culture.

Mr. Taylor and the 1994 Board Chairman, Mr. Mark Mills, presided over the annual Corporation Meeting on the second Monday in September. Furthermore, the student leaders attended the S.C.I.S.A. Fall Convention at the State House. At the end of the month, academically outstanding students were honored at the Academic Banquet. Last, the five-year-old kindergarten class was entertained by a litter control skit hosted by the Fairfield County Garden Club. As you can see, this was a busy month academically as well as athletically.
