

October was a very busy month. Spirits were soaring as the junior cheerleaders attended cheerleading camp. The Junior Varsity and Varsity tennis teams floated across the courts and made quite a racquet.

Mr. Allen Pullen taught fire prevention and safety to our little ghouls. The football teams continued the fall tradition of punting, passing, and kicking. Many students enjoyed

the annual Homecoming bash on October 14th.

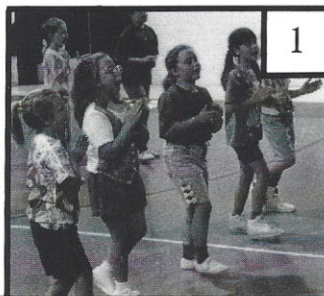

In addition, first graders stepped back in time and visited the dinosaurs at Riverbanks Zoo. Also, the football players providing study in contrast by "piling on" and getting in touch with their feminine side during a pep rally. All in all, October proved to be a fun, hectic and spirited month.
