

In November students were kept busy with all of their extra-curricular activities. The Varsity Football team travelled to Colleton Prep and gained their last victory of the regular season. As the football season came to an end, basketball practice began.

The ladies at R.W.A. got a bit of football action with the Powderpuff game on the 5th. Following the game, friends, parents, and students attended the annual Harvest Festival. In addition, the eighth grade was privileged to take a field trip to Charleston for two days. Soon after they returned, the juniors sponsored a line dance. Parents and students had fun learning dances like the "Watermelon Crawl." Also, the seniors and cho-

rus worked hard to make the annual beauty pageant a success. Their work paid off on the 17th when Katie Zelnar was crowned Miss R.W.A. 1995.

Furthermore, the second grade provided an entertainment program in which they posed as Pilgrims and Indians. On the 23rd, high school students stirred around the halls with Progress Reports, but they were also relieved with the arrival of the Thanksgiving holidays.

Basketball season began on the 29th with a game against Clarendon Hall. The Eagles brought home victories, and began the season with a Bang! Thus, the month ended in anticipation of the upcoming basketball games and Christmas holidays.
