

**THE ROYAL COURT.** Kyle Byrd and Frances Rutland enjoy their moment of royalty after being crowned Harvest Festival King and Queen. Annually, students raise money for the PTO, and the students with the most money receive the titles.

**WILD WOMAN.** Kala Bell is "wild on wheels" as she enjoys driving a Jeep Power Wheels around the "block". This year at the Harvest Festival the kindergarteners sponsored the Power Wheels race down in the high school hall.

**CLOWNIN' AROUND.** Alias William Coleman clowns around at the Harvest Festival entertaining kids during cake walks and handing out apple balloons to teachers. He spent much of the day blowing up balloons for the young and old alike.
