

December came quickly this year, starting off with home basketball games on the 2nd. On Tuesday, the Eagles travelled to Summer-ton to face Clarendon Hall.

Although one may think that an exceptional year would consist of wonderful memories and good times, this year students had to face an exceptional tragedy. On the 8th, the RWA family learned that they had suddenly lost two dear friends. With the help of parents, teachers, and friends, students began to

understand the death of a loved one.

In addition, the basketball teams challenged Byrnes Academy. Also, the kindergartens held a program in the gym. On the 15th, K-12 took part in the Christmas program. School dismissed early on the 16th for Christmas holidays. However, the basketball teams did not go home; instead, they competed against Wilson Hall. Unfortunately, the Varsity Eagles were unable to bring home a win.
