

February was a mix of academics and athletics at RWA. The Junior Beta Club Induction for spring of 1995 took place on February 1. February 3-13 was devoted to the School Book Fair. The basketball teams wrapped up successful regular seasons with four tough conference games against Wardlaw, Cambridge, Long Cane, and King. The juniors worked diligently preparing Valentine's Day gifts, which many people were delighted to

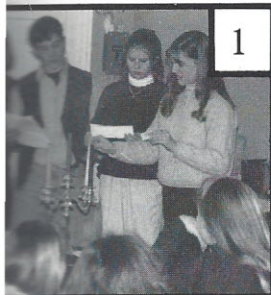

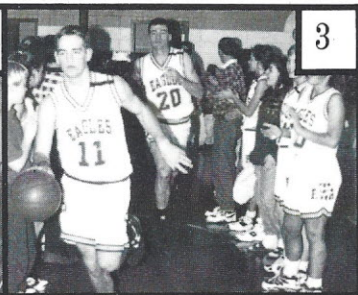

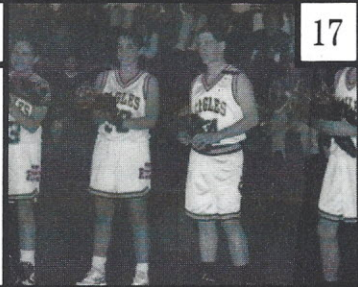

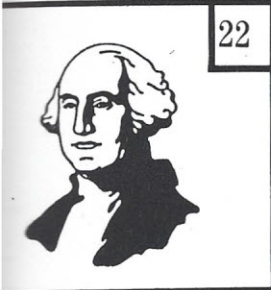

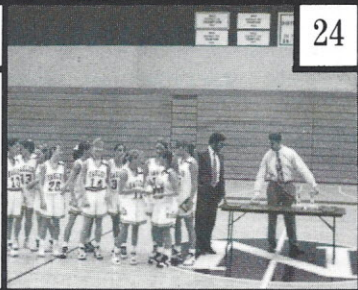

receive. On February 20, the school was entertained by the Brickie Circus. All students enjoyed the fun afternoon watching the fire-juggler. Several gasps of relief were audible as the juggler dramatically completed his performance. The end of the month found both the Varsity Girls' and Varsity Boys' basketball teams competing in the State Play-offs after finishing as Region Champion and Region Runner-Up, respectively.
