

WE'RE NUMBER ONE! Since the first pitch in 1971, RWA baseball teams have dreamed of being at the top. Finally, 25 years later this goal is achieved after many second place finishes. What a way to cap off the school's 30th birthday! Way to go, guys!

IT'S TIME TO CELEBRATE! As the clock ticks down the last few seconds, an early celebration begins with the players on the field. FOOTBALL RULES at RWA in front of the largest crowd ever as they witnessed this awesome team capture RWA's first football State Championship.

THIS IS SERIOUS STUFF. Even when longer hair and sideburns, bell bottoms and mini skirts were the fashion of the time, the Eagles could play basketball with the best of 'em. This 1974 team, coached by Raymond Gardner, brought home the first boys' state title for RWA. Since then the 1986 team, coached by Mike Robinson and Jerry Wolfe, also achieved this goal.

1996. Oh, what a year!!! RWA celebrates its Thirtieth Birthday all year long. Girls' volleyball is introduced to RWA as a new fall sport. Coach of the Year David Porter and Player of the Year Travis Kingsmore lead the football squad to a perfect 13-0 season and its first ever SCISA State AA Championship. As if that isn't enough to celebrate, Coach of the Year Todd Robinson and Bruce Baker, both alumni, direct the baseball team to reach their goal of AA State Champs. Travis Kingsmore also receives the Baseball Player of the Year Award.
